Dear Rotary Club President / Club Chairperson:

The time is upon us to give attention to **RYLA** 2022. You and your club committee are the key to the entire operation. Your help in motivating and involving your club in inter-viewing and selecting your conferees is of critical importance. Our district-wide goal is 85 conferees, slightly more than two per club.

Your District **RYLA** Committee began planning last July and has been working diligently to provide a quality youth program. We now must pass the action to you and are prepared to provide a meaningful training experience for youth leaders in your community. This **RYLA** Handbook has been prepared to assist you in your selection process.

RYLA serves as an excellent public relations opportunity for your club. This handbook has a sample press release to aid you in that process. Those Rotarians in your club who become involved with **RYLA** will derive intense personal satisfaction and a feeling of real accomplishment within the local community.

Club responsibilities are listed on pages 6 and 7. Please review them carefully. Please make sure that the deadlines are met. We are unable to extend deadlines so we are making sure that this material reaches you early. Items 1 and 2 on page 6 are urgently needed, if not already completed.

We must communicate. Please be responsive to letters, emails, telephone calls and deadlines. Should you encounter any difficulties or desire any assistance from the District **RYLA** Committee, please contact any one of us (see Page 4).

With your help, we will again achieve a truly meaningful program that renders an invaluable service to the young people in our communities.

Let's start now for **RYLA** 2022, our 39th program!

Sincerely,

Evelyn Frair

RYLA Program Director

P.S. On the District 7170 website, under the Youth Programs tab, is a **RYLA** tab. On the **RYLA** Pages, there is a PowerPoint slide show, its equivalent PDF file, and a short description of the **RYLA** program. Feel free to download these and make them available to the students you are recruiting.

As in years past, there will be a lottery held on April 4th to assign any vacant spaces. Indicate on your **RYLA** Conference Reservation Form (Page 8) if your club would like to be considered for an additional lottery space. **Please** - care enough for your students and for those of trying to organize the conference to meet these deadlines. Make sure that you get documents back from students in time to forward them to a **RYLA** Committee member by the deadline dates.

These can be copied to a CD or linked via your application form to help explain to students and parents what RYLA is all about.

By February 28, 2022

Get applications back from students, interview students, Decide which students to accept.

By March 28, 2022

SAMPLE GUIDELINES FOR SELECTING YOUR CONFEREES

The school should present your club's **RYLA** Committee with two or three times the number of qualified candidates you plan to select. Your **RYLA** Selection Committee should then interview and choose the most qualified students to represent that school and your club.

The students your club selects to be its representatives <u>must be high school students who will enter their</u> senior year in September, 2022.

The following considerations are offered as possible criteria to be used in your selection process:

- a. Leadership potential: Those qualities which might make him/her an effective leader.
- b. Leadership Experience: Has the student had opportunities to practice leadership skills in real life situations? (Look for officers of school organizations, class officers, athletic team captains and extracurricular leadership experience, Scouts, church groups, etc.)
- c. Desire to attend RYLA.
- d. Academic Ability: Performance academically at school.
- e. Extracurricular Activities: Has the candidate been involved in extracurricular activities? Emphasize quality of involvement rather than quantity. Has he/she participated in any community activities? Does he/she have a job after school, evenings or on weekends?
- f. Questioning Thought: Does the student think about things that he/she reads or hears or does he/she accept things blindly?
- g. Articulation: Is the candidate capable of expressing thoughts and feelings accurately, clearly and effectively?
- h. Ability to Relate with Peers: How easily does the candidate get along with others?
- i. Openness to the Experience: Will the candidate be open and adaptive enough to embrace the philosophy of the Conference?

Your club would be wise to select alternate candidates who will be prepared to attend the Conference in the event that any of your primary candidates could not attend. Last minute cancellations and problems that they cause could thus be eliminated. They should complete and submit all paperwork as well, **please clearly mark these forms "Alternate".**

We are looking for interested, sincere, well rounded potential leaders. The selection of good conferees by Rotarians is a critical element in the success of the RYLA Program. Candidates MUST be able to commit to the ENTIRE experience beginning Sunday afternoon, June 26th and concluding Wednesday afternoon, June 29th. Conferees MUST be able to be in attendance all day, every day.
