

February 5, 2020

Dear Rotary Club Presidents and Presidents-Elect,

Rotary District 7210 wants to help you fund your projects to DO GOOD in the world!

Our Foundation Grants Committee is seeking local and international projects for our 2020-21 District Grants. The District Grant process is very simple if approved: apply, do good, report, get funds!

Please submit the fully completed District Grant Application (*copy enclosed and on the District website*) in digital pdf format, **not later than Friday, May 15, 2020** to our Foundation Grants Committee via District Rotary Foundation Chair Louis Turpin at Rotary.Turpin@gmail.com.

Please note the following regarding the District Grant application and approval process:

- Provide ALL of the information required on the Rotary District 7210 District Grant Application.
- See District Grant Review Criteria (attached) for guidance on how Applications are evaluated.
- It is preferred that the Project address one or more of Rotary's six Areas of Focus.
Learn more: <https://www.rotary.org/en/our-causes>
- Your Club must have posted at least 13 Goals each for 2019-20 and 2020-21 on Rotary Club Central prior to submitting this District Grant Application (see attached instructions).
- A minimum total project amount of \$1,000 is strongly encouraged, with the Club or Clubs funding 50% or more of the total project amount.
- The District Grant Application must be for a single significant project or program, not for a collection of various dissimilar small projects or programs undertaken by the Club. A Club may not submit separate applications for more than one Project. Choose your most significant Project!
- The project must not begin before July 1, 2020 or when notice of final approval is given, whichever is later, and must be completed not later than June 30, 2021.
- The District Grant applications will be reviewed by the Grants Committee and a preliminary response will be provided to the Club on or about June 15, 2020, but final approval is contingent upon receipt of approval from The Rotary Foundation.
- All costs will be borne by the Club and only reimbursed by District funds, subject to approval and limitations by Rotary International, after satisfactory completion of the project, including:
 1. A Progress Report (form attached and on District website) not later than May 1, 2021.
 2. A Final Report once the Project is completed (same form) not later than June 15, 2021. If your Project will be completed between June 15 and June 30, you must indicate this on your Progress Report and confirm the pending details by June 15.
 3. Copies of receipts for ALL expenditures/payments for the project with Final Report.
 4. PDF copy of the Project's posting on Rotary Ideas Showcase.
https://map.rotary.org/en/project/pages/project_showcase.aspx
 5. Proof that the Project was publicized in your community using Rotary's "People of Action" resources. Visit Rotary's Brand Center: <https://brandcenter.rotary.org/en-GB/App/Approval>
- The Club must adhere to appropriate stewardship measures and grant management practices, and is encouraged to complete the applicable Rotary Grant Management Seminar courses available on the Rotary Learning Center on MyRotary.org: <https://learn.rotary.org/members/learn/catalog>
Past District Grant process performance by the Club will be a consideration by the Committee on this and future grants. Further information is available www.rotary.org/myrotary/district-grants.
- See attached list of "Expanded Eligibility in District Grants" for some added grant opportunities.

As noted above, this is intended to be a very simple process. If for any reason you have questions about how to qualify and/or complete the process, please feel free to contact the Grants Committee, as we are here to help you achieve your goals and DO GOOD in the world!

Sincerely,

J. Louis Turpin
