District grants give Rotarians freedom in determining how to best spend funds donated to The Rotary Foundation in their district. Each Rotary year, districts may apply for one district grant, which can be used to support one or more projects, based on that district's interests and needs.

The Rotary Foundation funds district grants with District Designated Funds (DDF). Each year, your district may request up to half of your available DDF, which in turn represents half of your district's Annual Fund donations from three years earlier. This system, known as SHARE, enables Rotarians to benefit from the short-term investment of their donation dollars.

Applying for a district grant is an easy, online process. Note, however, that the application requires specific information about your spending plan, bank account, and account signatories, so it's best to have this information available before you begin.

Also note that district grant applications must be authorized by the district governor, district Rotary Foundation committee chair, and district grants subcommittee chair. Before starting this application, please ensure that your district governor has identified these officers and that the officers have registered with Member Access.

District Grant Agreement

This District Grant Agreement (“Agreement”) is entered into by The Rotary Foundation of Rotary International (“TRF”) and the District. In consideration of receiving this Rotary Foundation District Grant (“Grant”) from TRF, the District agrees that:

1. The District has received and read the Terms and Conditions for Rotary Foundation District Grants and Global Grants, which are incorporated into and made part of this Agreement, and will abide by all Terms and Conditions set forth therein.
2. The District shall defend, indemnify, and hold harmless Rotary International (RI) and TRF, including their directors, trustees, officers, committees, employees, agents, associate foundations, and representatives (collectively “RI/TRF”), from and against all claims, including but not limited to claims of subrogation, demands, actions, damages, losses, costs, liabilities, expenses (including reasonable attorney’s fees and other legal expenses), awards, judgments, and fines asserted against or recovered from RI/TRF arising out of any act, conduct, omission, negligence, misconduct, or unlawful act (or act contrary to any applicable governmental order or regulation) resulting directly or indirectly from the activities undertaken in this grant.
3. RI/TRF’s entire responsibility is expressly limited to the Grant amount. Neither RI nor TRF assumes any further responsibility in connection with this Grant. Neither RI nor TRF is responsible for unfunded travelers.
4. TRF reserves the right to cancel this Agreement without notice upon the failure of the District to abide by the terms set forth in this Agreement and the Terms and Conditions for District Grants and Global Grants. Upon cancellation, TRF shall be entitled to a refund of any Grant funds, including any interest earned, that have not been expended pursuant to these terms.
5. The failure of the Parties to comply with the terms of this Agreement due to an act of God, strike, government regulation, war, fire, riot, civil unrest, hurricane, earthquake, or other natural disasters, acts of public enemies, curtailment of transportation facilities, political upheavals, civil disorders, outbreak of infectious disease or illness, acts of terrorism, or any reason beyond the reasonable control of the Parties shall not be deemed a breach of this Agreement. In such an event, the Agreement shall be deemed terminated and the District shall refund all unexpended Grant funds within 30 days of termination.
ADDITIONAL AGREEMENT TERMS FOR DISTRICT GRANTS INVOLVING FUNDED TRAVELERS Sections 6-11 apply to those traveling on district grant funding ("Funded Travelers")
6. Rotarians serving on the selection committee have exercised complete transparency and disclosed any actual or perceived conflict of interest due to the committee member’s association with a candidate or participating institution.
7. The District confirms that the Funded Traveler(s) are qualified to provide and/or receive this training and have the endorsement of the district. Additionally, the District affirms that the activity/scholarship has been planned in accordance with the beneficiary community.
8. If it is decided that Funded Travelers are not performing adequately, TRF must be notified. TRF reserves the right to terminate this Agreement and arrange for immediate transportation for the Funded Traveler(s) back to the Funded Traveler(s)’ home country.
9. Notwithstanding any provision in this Agreement to the contrary, in the event the Funded Traveler(s) terminate their participation for any reason not necessitated by serious illness or injury or safety of the Funded Traveler(s) or the serious illness or injury of a Funded Traveler’s family, TRF shall be entitled to a refund of any Grant funds, including any interest earned, that have not been expended pursuant to the terms of this Agreement. In addition, any Funded Traveler who terminates his/her participation prior to the end date listed in the Application for any reason other than serious illness or injury or safety shall be responsible for his/her own return transportation home. Additionally, any Funded Traveler who elects not to travel or participate in grant-funded activities shall refund the full Grant, including any interest earned, within 30 days of notification.
10. Funded Traveler(s) are required to secure, for their trip, travel medical and accident insurance to cover medical care and hospitalization, emergency evacuation, and repatriation of remains with limits as outlined in the terms and conditions. This insurance must be valid in the country(ies) that the Funded Traveler will visit during their participation and cover the periods from the date of departure through the date of return. Upon request, Funded Traveler(s) shall provide evidence of such coverage to the District and TRF.
11. The District acknowledges and agrees that Funded Traveler(s) are not employees of TRF or RI and are not entitled to or eligible in any way for, or shall participate in, any compensation, employee pension, health (medical or dental), workers compensation, life, disability, or any other insurance or other fringe benefit plan of TRF or RI. Nothing in this Agreement shall be deemed or construed by the Parties or any third party as creating the relationship of partnership, joint venture, or principal and agent between or among any Funded Traveler(s), Beneficiaries, District, RI, and/or TRF.
12. Only the laws of the State of Illinois, USA, without reference to its conflicts of laws principles, shall govern all matters arising out of or relating to this Agreement, including, without limitation, its interpretation, construction, performance, and enforcement.
13. Any legal action brought by either Party against the other Party arising out of or relating to this Agreement must be brought in the Circuit Court of Cook County, State of Illinois, USA or the Federal District Court for the Northern District of Illinois, USA. Each Party consents to the exclusive jurisdiction of these courts, and their respective appellate courts for the purpose of such actions. Nothing herein prohibits a Party that obtains a judgment in either of the designated courts from enforcing the judgment in any other court. Notwithstanding the foregoing, TRF may also bring legal action against the District in any court with jurisdiction over the District.
14. This Agreement binds and benefits the parties and their respective heirs, executors, administrators, legal representatives, and permitted successors and assigns.
15. If any provision of this Agreement is determined to be illegal, invalid or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect.
16. The District may not assign any of its rights under this Agreement except with the prior written consent of TRF. The District may not delegate any performance under this Agreement without the prior written consent of TRF. Any purported assignment of the District’s rights or

District grants give Rotarians freedom in determining how to best spend funds donated to The Rotary Foundation in their district. Each Rotary year, districts may apply for one district grant, which can be used to support one or more projects, based on that district’s interests and needs.

The Rotary Foundation funds district grants with District Designated Funds (DDF). Each year, your district may request up to half of your available DDF, which in turn represents half of your district's Annual Fund donations from three years earlier. This system, known as SHARE, enables Rotarians to benefit from the short-term investment of their donation dollars.

Applying for a district grant is an easy, online process. Note, however, that the application requires specific information about your spending plan, bank account, and account signatories, so it’s best to have this information available before you begin.

Also note that district grant applications must be authorized by the district governor, district Rotary Foundation committee chair, and district grants subcommittee chair. Before starting this application, please ensure that your district governor has identified these officers and that the officers have registered with Member Access.

District grants give Rotarians freedom in determining how to best spend funds donated to The Rotary Foundation in their district. Each Rotary year, districts may apply for one district grant, which can be used to support one or more projects, based on that district's interests and needs.

The Rotary Foundation funds district grants with District Designated Funds (DDF). Each year, your district may request up to half of your available DDF, which in turn represents half of your district's Annual Fund donations from three years earlier. This system, known as SHARE, enables Rotarians to benefit from the short-term investment of their donation dollars.

Applying for a district grant is an easy, online process. Note, however, that the application requires specific information about your spending plan, bank account, and account signatories, so it's best to have this information available before you begin.

Also note that district grant applications must be authorized by the district governor, district Rotary Foundation committee chair, and district grants subcommittee chair. Before starting this application, please ensure that your district governor has identified these officers and that the officers have registered with Member Access.
