Your Rotary membership starts in your club. Getting involved will develop your leadership skills and knowledge and build lifelong friendships.

Rotary brings together people like you who want to make a difference. We're here to provide you with the resources and opportunities to improve your community and create change in the world.

CONNECTING FOR COMMUNITY

The top two reasons people join Rotary are to give back to their communities and to connect with like-minded leaders and friends. Our members stay with Rotary year after year for the same reasons. What motivated you to join Rotary? What have you set out to accomplish with your club and as a Rotarian?

OUR COLLECTIVE IMPACT

Rotary connects leaders from all cultures and occupations who want to use their distinct expertise for good. People whose sense of responsibility inspires them to give back to their communities. Who step forward to tackle the toughest challenges — and persevere to create lasting change in communities around the world.

Together, we empower youth, improve health, promote peace, and advance our communities in all corners of the globe.

With 1.2 million members worldwide, our global community's impact has never been greater — and it continues to grow.

When Rotarians come together and commit to a cause, like our PolioPlus initiative, the magnitude of our impact is clear. And with the ongoing support of Rotarians like you, we will continue the fight to End Polio Now.

You joined Rotary because you want to make a difference. Because you believe in our motto: Service Above Self. Because you're committed to integrity and making change happen, and because the areas that we focus on are important to you.

THE FOUR-WAY TEST

Of the things we think, say or do:

1 Is it the TRUTH?

2 Is it FAIR to all concerned?

3 Will it build GOODWILL and BETTER FRIENDSHIPS?

4 Will it be BENEFICIAL to all concerned?

BEYOND CLUBS — THE ROTARY FAMILY

Rotary is made up of more than just our clubs. Service can start at any age, so we offer programs for teenagers and young adults who want to discover new cultures, develop leadership skills, and give back. We also provide opportunities for people of all ages and backgrounds who want to help in their communities. Through clubs like yours, Rotarians organize and sponsor all of the following.

Interact is a leadership program sponsored by Rotary clubs for anyone ages 12-18. With more than 16,740 Interact clubs in 151 countries, Rotary is inspiring the next generation of socially responsible and globally conscious leaders.

Rotaract is organized by Rotary clubs to promote leadership, professional development, and service among adults ages 18-30. With more than 6,880 clubs in 166 countries, Rotaract members are helping to lead change in communities around the globe.

Rotary Community Corps (RCCs) are groups of non-Rotarians who work with Rotary to improve their communities through a variety of service projects. There are more than 7,900 RCCs in 85 countries, all organized and sponsored by Rotary clubs.

Rotary Youth Exchange offers students ages 15-19 the chance to travel abroad for cultural exchanges. More than 8,000 students participate in this immersive program every year. Through these experiences, which last from a week to a full academic year, students learn about new cultures, gain an appreciation for diverse perspectives, and foster global understanding.

Rotary Youth Leadership Awards (RYLA) is Rotary's leadership training program for teens and young adults that emphasizes social responsibility, global citizenship, and personal development.

Rotary Peace Fellowships offer students the opportunity to earn advanced degrees or professional certificates from universities that host Rotary Peace Centers. Rotary Peace Fellows focus on international studies and conflict resolution so they can advance their careers as promoters of peace.
