

APPLICATION FOR YPS 2017

- WHAT:** The Young Professionals Summit (YPS) is an intensive, thought-provoking, 48 hour retreat for approximately 30 people who, in Rotary and their daily lives, already are catalysts for change. They will have a unique opportunity to share their thoughts, reflect on their stories, and exchange ideas. At the summit the participants will have the opportunity to participate on a service project, network with each other as well as District leadership, receive DiSC leadership training and take part in moderated discussions focusing on the future of Rotary and what the organization can do to be relevant in today's world. This year, we are going a step further, and the YPS team will also plan a project that will have three goals: raise money for a cause both local and international, have a related hands-on service project, and create a PR plan that will raise awareness of Rotary International to young professionals.
- WHEN:** Morning of Saturday, September 9 to evening of Sunday, September 10, 2017 in Harlem, NYC. We will be staying at Aloft Hotel in the midst of Harlem's famed Restaurant Row, working at a nearby team space, and enjoying the cultural opportunities of Historic Harlem. *(Team members can stay additional nights Friday or Sunday, or dinner Sunday night, at their own expense. Hotel Saturday night, and meals from breakfast Saturday through afternoon snack Sunday are covered by YPS program.)*
- ABOUT YOU:** Each applicant pair will consist of one Rotarian and one non-Rotarian/Rotaractor. We're looking for leaders who are committed to Rotary and improving the world, passionate about taking action, and eager to connect with others who feel the same way. Applicant 1 - as a Rotarian you will arrive at YPS with stories to tell about the positive change you've created in your club, your district, your community. You lead by doing, and regardless what Rotary title you hold, you're someone who inspires and mobilizes others. Applicant 2 - as a non-Rotarian, you will have just the same passion and sense of service, but will provide a unique "outsider" view of Rotary, and readiness to offer constructive ideas of improvement. You BOTH are the kind of people who think that a problem is an opportunity in disguise, and you help other people see the world that way, too.
- YOU BOTH ARE:** A young professional between the ages of 25-40.
- Able to attend the Young Professionals Summit on September 9-10 in Harlem, Manhattan, NYC, AND able to spend occasional time afterwards in the planning and execution of the YPS developed project.
- Enthusiastic about positive experiences you've had in Rotary or other service/professional organizations.
- Able to complete this application by June 1, 2017.
- Able to respond to your Rotary district's emails, questions, and deadlines promptly - before and after the summit.
- Willing to make a presentation at your sponsor Rotary club after the summit.
- Willing to create a team report with the other pairs from your district that will be issued at your Rotary district's annual conference, and write a short article that can be posted on club and district websites.

BEFOREHAND: Rotarians, you should connect with your district governor and district leadership team, to learn about the district so you can bring their experiences to the summit. Non-Rotarians should have a basic understanding of what Rotary is, but also think about what has worked well with other social/service/professional organizations with which you have been involved, and how those ideas might help Rotary.

SELECTION PROCESS:

All applicants must submit this form and a current resume by June 1, 2017 to be considered. Selections will be made by the Rotary Young Professionals Committee of Districts 7490, 7210, and 7255 no later than June 15, 2017. Applicants may be asked to participate in phone/online interviews or provide additional information at the request of the committee. If needed, an in-person interview with the committee may be required.

Thanks to a Rotary Zone grant and the districts' contributions, the YPS Committee will pay/reimburse for all reasonable expenses related to the YPS, including hotel, meals, activity fees and incidental travel costs. However, once selected for the YPS and upon confirmation of attendance, each candidate shall pay a **non-refundable fee of \$75** towards event costs, and each Rotary Club shall sponsor a share of the team's expenses for \$200.
