Make your support shine even brighter!

- **Full-Page Ad Benefit:** With every full-page ad purchased, the facing page in the Ad Journal will be dedicated—at no additional cost—to featuring one child hosted or sponsored by your club or organization. This page may include up-to-date information and photos, creating a meaningful spotlight on the impact of your generosity.
- **Half-Page Ad Benefit:** With a half-page ad, the bottom half of the same page will be reserved to highlight a child you have sponsored or hosted, ensuring your contribution is recognized alongside the story of a life you've touched.

This special feature not only enhances your visibility but also celebrates the children whose lives are transformed through your support.
