re: District Conference - Memorial Service

Dear Club Presidents

As is customary at District Conferences, a memorial service is planned for those Rotarians who have passed away since the close of the last district conference on May 6, 2018.

This year's District Conference is scheduled for May 2-5, 2019, at the Wyndham Hotel at Gettysburg, Pennsylvania. We will be conducting a joint memorial service with Rotary District 7475.

On behalf of Governor Nikki, I am requesting all club presidents to please provide me with the names of all Rotarians or former Rotarians within their clubs, who have passed away since last year's district conference, together with an indication as to any Rotary District or Club offices which they had held. I request that the information be returned to me no later than Monday, April 15, 2019. Please telephone, e-mail or fax me with the information.

Yours in Rotary Service,

Bill
