

MULTI-CLUB GRANT FUNDING CRITERIA

1. The requesting group (more than one Rotary Club in the District) must contribute an amount at least double that requested from the foundation.
2. The project must demonstrably benefit people other than Rotarians, and/or their families within District 7490. The funds cannot be used to obtain an academic degree or professional advancement.
3. The project must address a need that is not being funded by another Rotary program, have lasting results, spread and grow, and help people help themselves
4. The project must not involve liability to the Walter D. Head Foundation, except for the amount of the grant being requested.
5. A project must not involve establishment of a permanent foundation, or trust, or a permanent interest-bearing account, or involve support for the operation of any organization.
6. The Foundation should be involved at an early stage of the project.
7. The request may not be similar to one for which the same sponsors have previously received a grant.
8. All Foundation funds should be paid directly to third party payees, not the individual beneficiary or a Rotary organization.
