

What is a District Conference & Why should I Attend?

Lousia Tripp
District Governor
2015-2016
Northfield Club

Welcome! District Conference serves many purposes, including recognizing Rotarians and Clubs for their great service and achievements, sharing and learning the vision of Rotary, providing opportunity of relationship with like-minded members, and inspiring us all to greater involvement in "Doing Good in the World".

This year, our feature conference sponsor is Community National Bank offering a shared commitment to Rotarians in our District. With headquarters in nearby Newport, Vt they share our mission of promoting the well-being of our communities.

While we're gathered, we have a great chance to engage fellow members, reminisce about the successes of the year and plan for another just ahead. We'll catch up with old friends, make new ones, while taking some time to relax, laugh, eat well, and enjoy each other's fellowship. Oh and have some wonderful fun with the amazing waterpark, Duck race and Curling tournament.

Please join us April 29 through May 1 at the beautiful Jay Peak Resort as we celebrate "Be(ing) a Gift to the World".
