

Dear Rotarian

Another Rotary Leadership Institute is coming to a location near you!

Time to expand your knowledge about Rotary -- new ways to attract and engage members, information about the Rotary Foundation, methods to increase your leadership skills, public relations and ***much, much more!***

We have a newly-revised curriculum that was just distributed to our RLI Faculty this past weekend.

The next class that ***you*** should attend will be held on
October 3rd, 2015 from 8:00 am - 3:00pm
at Dartmouth Hitchcock Medical Center in Lebanon , NH

To register go to <http://www.rlinea.org/Event/49fbee3f-d636-4f0a-8916-3f811cf365b8>

or

<http://www.rlinea.org>.

There may be other sites near you that you will find on the website.

Please note that the deadline to register is Sept 22nd

District 7850 is offering at least 2 grants per club, to cover the registration costs. Grant monies can be used for attendance at any RLI (Part I, II, III or Graduate) session. Clubs will be reimbursed after the event, registration fees are due to RLI on or before October 3rd.

Everyone must register on the RLI website regardless of whether you are using a District Grant or not. The deadline is fast approaching and it is necessary to ensure that the proper facilitators are in place and hotel reservations made during the busy Fall season.

Any questions do not hesitate to contact C. Kiki Leech at cateringbykiki@yahoo.com

I look forward to seeing many of you there.

Yours in Rotary,

Kiki

District 7850 Trainer & RLI Coordinator
