

District Governor Rotary Moments

DG Sandra McGonagle

July 10, 2015

The journey as Governor
Of District 7870,
Across Vermont and New Hampshire,
This District Governor will go.

The first stop was in Concord,
It was a Governor's delight,
Good humor and friendship,
Treated just right!

President Jerry Madden,
A leader with style,
Delivered his message,
With a very wry smile.

Past District Governors,
Filled many chairs,
To lend support to the Governor,
Not too much stress there!

On to Hollis-Brookline,
A Club so engaged,
A Road Race to Remember,
Great success on that Club's page!

A stop at Hollis Pharmacy,
The center of town,
Vahrij, a Rotarian,
In town he is renowned.

Venu Rao, quite a leader,
Krishna, PE in line,
A team unbeatable,
The 4-Way Test they define.

To Jaffrey and Rindge,
To see Quest in action,
Civics, language arts, and math,
Delivered with compassion.

Bellows Falls is our next stop,
Five little towns so entwined,
Forming a Club filled with action,
Service above Self truly defined.

President Bonnie leading with grace,
Saxton River Inn, a gracious host,
A Board meeting of fun and fellowship,
The Glory of Rotary they can boast.

Closing the week back in Gilford,
Our home club our last stop,
Warm welcomes and handshakes,
Putting the week over the top.

Adventures lie before us,
Rotary banners unfurled,
Our message is simple,
Be a Gift to the World!
