CLUB MODELS

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves. The criteria for membership are simple. For Rotary clubs, a member needs to be an adult — or for Rotaract clubs, a person age 18-30 — who demonstrates good character, integrity, and leadership; has a good reputation within their business or profession and community; and willing to serve in the community or have an impact elsewhere in the world. All clubs share similar values and a passion for service, but no two clubs are the same because each community has its own unique needs.

Passport Club	A Rotary club that allows members to attend other Rotary club meetings as long as they attend a specified number of meetings in their own club each year	People who travel frequently, or those who enjoy trying a variety of club experiences and meeting lots of new people Learn more in the Guide to Passport Clubs .	20
Corporate Club	A club whose members (or most of them) work for the same employer	Employees of an organization who want to come together to do good in their community	20

Welcome to District 7910

Rotary Passport Club

"Together, we see a world where people unite to take action and create lasting change- across the globe, in our communities, and in ourselves"

A New Type of Club – **The Passport Club**

Our club members are dedicated people from Rotary District 7910 who share a passion for both community service and friendship. Becoming a Rotarian connects you with a diverse group of professionals who share your drive to give back.

The Passport Club is a new type of Rotary Club designed to be flexible, affordable and accessible. We seek to serve the communities of Central MA along-side like-minded leaders; we seek to create friendships and make business connections; and we look for opportunities to partner in service with other Rotary clubs and with local community organizations.

Unlike traditional Rotary Clubs that meet weekly, the Passport club provides opportunities each month to have a club meeting, to volunteer, to socialize with each other and with other Rotarians and to learn about our local and global community.

Make Rotary Fit Your Life!

Members of the Provisional District 7910 Passport Club are local people who want to make a difference in their community and the world in a way that fits within their time, talent, and finances, as well as with their family, work, and life commitments.

To facilitate this, the D 7910 Passport Club conducts business electronically and offers several in-person opportunities per year. In lieu of weekly meetings, members are encouraged to engage in humanitarian service- in whatever format works best for them.

The 7910 Passport Club members are full Rotary members, with the same privileges and rights as Rotarians who are members of traditional clubs.

Membership in our club provides you with a *passport* to visit and work with any other Rotary Club in the world, and to take part in activities, programs, and projects that interest and engage you. While this club is targeted at former Rotary members looking to return, young professionals, Rotaractors, Rotary Alumni, and others who find a traditional club doesn't fit their life- anyone is welcome to apply!

Passport Clubs differ from e-clubs in that members live within a defined geographical region- in this case, District 7910.
