Notes:							

1. D7910 has a policy of allocating DDF on a 1:1 basis for Club's cash contribution up to \$10,000 and does not provide DDF for projects initiated in other Districts.
2. To enable allocation of \$15,000 DDF, the Club must contribute \$10,000 to the Annual Fund in the same year. District gets \$2500 more from the World Fund.
3. Less District resources go towards the project and there is greater contribution to the Annual Fund.
4. The District can "get" more of the World Fund back for small District resources by allowing clubs to participate in "outside projects."
