DONATION

\$5.00
Under 5 Free

Saturday, November 7th, 2015 – 7:30 am – 11:00 am

Joseph Keefe Technical School, 750 Winter St, Framingham, MA

FUNDRAISING GOAL: All proceeds to purchase Air Conditioners for Senior Citizens in Public Housing. According to the CDC, seniors, the poor & those on medications are most at risk for death due to extreme heat. In 91% of these deaths, there was no air conditioner in the home. Rotary Club of Framingham has placed 100 units with at risk elderly & our goal is to put that over 125 in 2015!
