ROTARY DISTRICT 7910
DISTRICT GOVERNOR 2015-16

Be a gift
to the world

February 8, 2016

Rotarians, Rotaractors, Friends & Participants;

Welcome.

Tonight we are proud to present our first ever Rotaract Advisor Training Seminar for Rotary District 7910. I am disappointed that I could not be present this evening to enjoy this great program but I guarantee you that my thoughts are with you.

When I became District Governor on July 1st, 2015 I made it perfectly clear that the future of Rotary is in the hands of our youth. I explained that Interact is the feeder group for Rotaract and Rotaract is the feeder group for future Rotarians and to make this work, training is the key.

I appointed Carl Gomes as the Rotaract Chair for District 7910 and challenged him to strengthen and to grow the District Rotaract program. Carl said he was up to the challenge and he has come through with great ideas and action. Since he took over as Rotaract Chair he has educated District Rotarians about the Rotaract program and in the process we now have a new Rotaract Club at MIT and he is working hard to charter additional Rotaract Clubs throughout our District

Carl had a vision to establish a training seminar for Rotaract Advisors. His hard work is evident tonight as we hold our first ever Rotaract Advisor Training Seminar.

Rotarians, Rotaractors, Friends & Participants: thank you for being here tonight. We have a great program that will inspire you resulting in our District having a Bigger, Better and Bolder Rotaract program.

Thank you. May the program begin!

Yours in Rotary,
