## **World Fund Match**

The Rotary Foundation funds global grants from the World Fund, and awards range from US \$15,000 to US \$200,000. The Foundation matches cash contributions at 50 percent and District Designated Fund (DDF) contributions at 100 percent. The Foundation will also match non-Rotarian contributions toward a grant, provided they do not come from either a cooperating organization or a beneficiary.

To determine the World Fund match for your Global Grant, list all resources of funding, specifying contributions from cash, DDF, and other sources. Non-Rotarian contributions with no match from the Rotary Foundation could be included in the grant financing if they are being used to purchase grant budget items. These contributions *should not* be sent to the Foundation.

*Notes:*

1. The total financing must be equal to the total budget of your activity.
2. Any grant cash contribution sent to TRF must include an additional 5% to support processing expenses. After you have added all funding sources and the request World Fund match, save to your “grant financing.
