

VISIONING

for Rotaract clubs

Created by Rita Newman, WPI Rotaract Club

Hold a Visioning once each year to allow new members to voice their opinions

Start the Visioning with **independent written reflection**

Encourage all members to voice their thoughts

Review the votes **and select the winners**

Make the voting limit for different idea categories clear, and **let the people vote!**

Record all suggestions on large paper hung around the room

Compile the results on a computer program, like **Microsoft Excel**

Get your vision on the right track by writing **a formal vision statement and making Smart Plans**

Start fundraising to make your vision reality!

For a more detailed Visioning plan, contact WPI Rotaract at rotaract-execs@wpi.edu
