Club Visits

Invite District

By Bill F. 1000

I will run "Things you should know" in every Newsletter until the 2016 District Conference on May 20 through 22 in Plymouth - and I will highlight different items each week. This week, I am presenting "Saturday afternoon free time."

We have two prepaid options for you to celebrate your free time on the afternoon of Saturday, May 21. Free time will be from 12 noon to 4 pm. Register for only one of these options because they will be occurring at the same time.

- **Harbor Cruise** aboard the **Pilgrim Belle**: [click here](#). Five-minute walk from the hotel. 1-1/2-hour cruise of Plymouth Harbor. You must register and pay for this event in advance because space is limited. Your price includes a box lunch: for Deli Box lunch \$30, [click here](#); and for Lobster Roll, \$40, [click here](#).
- **Golfing** at the **Squirrel Run Golf Course**: [click here](#). 14 minute drive from the hotel. Tee time is 12 noon. A great opportunity to golf at the beautiful Squirrel Run Golf Course. Price is only \$40 person and includes your golf cart. Space is limited so make your reservations early: [click here](#).

## Many other things to do

There are also many other things in the Plymouth area you can do. Here are a few suggestions. Registration is not required for these activities:

- **Plymouth Rock**: Hotel 1620 at Plymouth Harbor is only 75 feet from the waterfront, and Plymouth Rock is only a short walk away, along the harbor. After seeing the Rock, just stroll along Water Street and enjoy the quaint shops.
- **Plymouth Plantation**: 13-minute drive from the hotel. In our House of Friendship, there will be a display by Plymouth Plantation. Stop by the display and pick up your discount tickets. Enjoy Plymouth Plantation on Saturday afternoon and again on Sunday, with admission.
- **Walking Tour of Plymouth**: Just walk out the front door of the Hotel 1620 at Plymouth Harbor and you will be a short walk from quaint shops, restaurants, ice cream shops, souvenir shops, wineries and more.
- **Stay at Hotel 1620**: If you choose not to leave the hotel, there would plenty to do. Wander through the House of Friendship and see all the great displays that your clubs and District 7910 have created. Or, just enjoy a leisurely afternoon at the indoor pool.

For our eight-page **Everything-You-Need-To-Know Conference Booklet**, which contains the Schedule, Prices, Hospitality "Sweets" Application Form, Frequently Asked Questions, and Facebook "Like" Contest, [click here](#).

**Membership Corner: Is your Rotary club positive-thinking, can-do, action-oriented – or not?**

By Tom Sturiale

What is the attitude of your Rotary club? Is it one of "can-do – will-do" or "can't-do – won't-do"? An organization's attitude is made up of all the individual attitudes and biases of its members. What are the comments heard from your members? Are they: "We tried that before and it doesn't work; "we've always done it this way;" "they're asking us to do too much and I don't have the time;" "we don't need more members - the club size is okay as is;" or any combination of the above? Or are they: "Sure, I will do it; "when can I start;" "I have an idea I would like to explore;" "wow, this is fun;" "let's get more members so we can do more good?" [Read more](#)

Youth are the future of Rotary. If you lead a veteran Rotary club, what are the diversity, energy and youth metrics for your club? Rotary is at a crossroads in terms of membership – particularly, in North America. Many clubs have stagnant, minimal or decreasing membership. Rotary International along with District Governor Jim Fusco and our district's leadership of New Generations programs are addressing this issue. One of the solutions is to attract and engage younger members – those under 40 - and to develop strong and vibrant youth programs, in particular, Interact and Rotaract.

### Salvation Army Recognizes Fitchburg, Leominster And Montachusett Area Rotary Clubs

Past President **Jim Hohman** accepted the award for Montachusett Area.

### Wellesley Rotary Pushes 'Chicago City Limits' To Fund Peer Leadership And Depression Prevention Project

Rotary sponsors community Interact clubs for ages 12 through 18. When the Interact club for Wellesley was launched, it adopted the Peer Leadership and Depression Prevention (PLDP) project. For the first time, the entire freshman grade at Wellesley high school – more than 300 students – completed the full curriculum. More than a dozen Interact peer leaders co-facilitated so that small group discussions were possible, allowing each freshman to address healthy stress management and symptoms of depression, including suicidal ideation. Pre- and post-curriculum surveys confirmed very positive outcomes, so the program should continue each year.

To fund PLDP, the Rotary Club of Wellesley is selling tickets to a "Chicago City Limits," a family comedy show, on Saturday, March 12. [Click here](#) for more information and to purchase tickets.

### Ukraine Rotary Clubs Need Our Help With Recent Polio Outbreaks

Twenty-five years ago, the Rotary Club of **Shrewsbury** co-sponsored the first Rotary club in Ukraine, which was the Rotary Club of **Kiev**. Now, a quarter-century later, Ukraine needs our help with recent polio outbreaks in that eastern European nation.

Rotary in Ukraine has now grown to more 43 clubs. [Click here](#) to watch a video posted by our fellow Rotarians in Ukraine regarding the recent outbreak of polio. It demonstrates that with low awareness and low vaccination rates, one plane ride can cause this disease reappear again overnight and anywhere - even in America. Ukraine Rotary clubs are looking for help. The best way is to make a donation of any size. To make a donation, [click here](#).

Every donation gets amplified by the **Bill and Melinda Gates Foundation**, which donates \$2 for every \$1 donated by Rotarians. That causes each donation of \$1 to triple to \$3. [Click here](#) to learn more about that match.
