### Four Way Test

**Step 1:** List out the good decisions and poor decisions you've made so far in 6th grade or during the summer.

Good decisions I've made 😊	Poor decisions I've made 😞

**Step 2:** Choose one of the poor decisions above to think about. **CIRCLE** that decision. Apply the Four way test below.

What if I asked myself: <i>Is it the truth?</i>	What if I asked myself: <i>Is it fair to all concerned?</i>
What if I asked myself: <i>Will it build goodwill and better friendships?</i>	What if I asked myself: <i>Will it be beneficial to all concerned?</i>

**Step 3:** How would your decision be different if you applied the Four Way test?
