Rotary Club of Concord
and
Rotary Club of Lexington

Please join us on

Saturday, November 14th

10:00 AM to Noon

Lexington Prep School

265 Lowell Street in Lexington

Visit

www.stophungernow.org

for more information

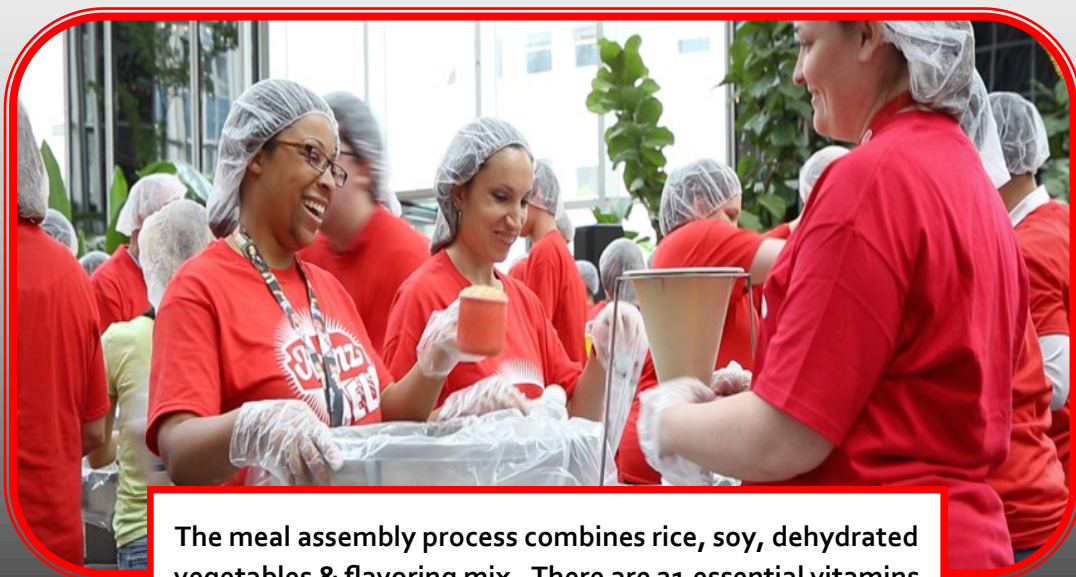

Help us achieve
our goal of
packaging
10,000 meals!

Meals have a
shelf life of
2 years

The packages are
shipped all over
the world for
feeding programs
& crisis relief.

If you are interested, please sign up to
volunteer at the Rotary Club of Concord website
starting October 9th

The meal assembly process combines rice, soy, dehydrated vegetables & flavoring mix. There are 21 essential vitamins & minerals in the packages containing 6 servings.
