

## *Festival of Lights Photo Supplement*

*November 27, 2106*

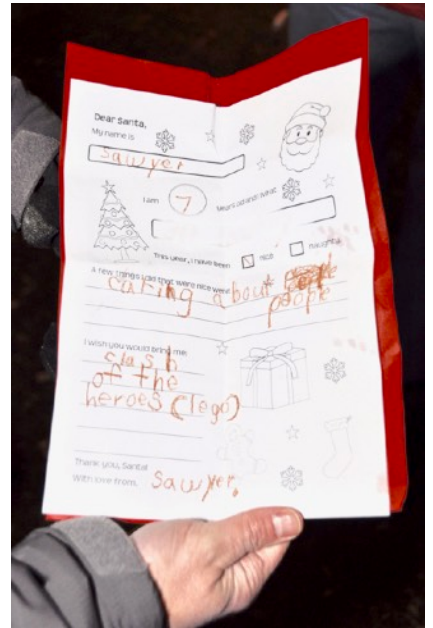

As part of our ongoing service commitment to the community, the Rotary Club of Westborough has provided funding for the festive lights each year during the holidays, decorating the trees located on Main, Milk and South Streets. The Festival of Lights celebrates the beginning of the holiday season, as residents gather for a holiday parade, to watch as the lights are turned on for the first time, and children young & old meet Santa to request their holiday wishes. Here are some images from this year's event. Additional photos will be posted to our web site and Facebook page.

If you have content for a future newsletter please send to [rittenberg@WestboroughRotary.org](mailto:rittenberg@WestboroughRotary.org). Feel free to distribute to the public.
