

**Rotary Club of Westborough Repair Café -- Westborough Public Library, April 8, 2017**

What a day! Much needed sun for Central Massachusetts and a great crew of folks with screwdrivers, wrenches, computer expertise, sewing machine, knife sharpeners and much more to offer a free fix for bikes, old hunting knives, fabric tears and much, much more. Kudos to club member and library Director Maureen Ambrosino and Donna Martel the library's Adult Services Librarian for such a helpful and fun event. And, of course, thanks to the repair crew.

For high resolution copies of these pics contact Westborough Rotarian Ron Goodenow ([ron.goodenow@gmail.com](mailto:ron.goodenow@gmail.com)), who edited this supplement and took them.
