## Special Rotary Club of Westborough Installation 2016 Photo Supplement...

On June 15 the Rotary Club of Westborough gathered at Stone Fire by Design in Westborough, primarily to witness and enjoy the installation of Gerry Gross as club president, replacing Jim O'Connor. The venue was beautiful, food great, and there was fellowship everywhere.

For high resolution copies of these pics contact photographer Ron Goodenow ([ron.goodenow@gmail.com](mailto:ron.goodenow@gmail.com)). A larger collection is now on our [club website](#) and many of them on on the club [Facebook page](#). Congratualtions to Jim O'Connor for a great year, and congrats and good luck to Gerry!
