Special Westborough Spring Festival 2016 Photo Supplement...

The 2016 WSF, held May 6-8, was a time of fun, service and sometimes uncooperative weather. Here's a scrap book of images from our club's photography team that hopefully speak for themselves. Sit back and begin with our Red, White and Brew event at the Knights of Columbus hall. Music, beer tasting, great food and a fine rock band.

Lets Go Fishing....with a record Saturday morning crowd.

On to Saturday on the Common...

Get Ready Get Set....Run Time at WHS

Sunday's cars, trucks, dogs and rain...but we shined...

We hope these photos show a lot of people having fun, exercising, eating, and walking, posing or running the dog...all for a good cause. If you have questions or would like a digital copy of a photo please contact the supplement editor, Westborough Rotarian Ron Goodenow (ron.goodenow@gmail.com). Westborough Rotarian and newsletter team members Elliott Rittenberg and Ron took the photos. Keep an eye on the [club website](#) for these and other photos taken at the Westborough Spring Festival. If you are not a Rotarian you can learn much more about our great club there and on our [Facebook page](#). See you next year!
