presents

Celebrate the Community

# CASINO *Night*

## Help the Rotary Club of Worcester to build a playground for inner-city kids

Proceeds from this event will benefit the Canterbury Street School, an inner-city urban school that houses 368 students in the South Worcester neighborhood. They have a diverse student population, and families who face many challenges, including homelessness. Currently, the school is without a proper playground for their students, funds raised will aid in the development of a safe outdoor play space.

AT TATNUCK COUNTRY CLUB  
**WORCESTER, MA**
