## **The Four-Way Test**

of the Things We Think, Say or Do

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER  
FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

\*The **OBJECT OF ROTARY** is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

### **FIRST**

The development of acquaintance as an opportunity for service;

### **SECOND**

High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

### **THIRD**

The application of the ideal of service in each Rotarian's personal, business and community life;

### **FOURTH**

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

**TOGETHER WE SEE A  
WORLD WHERE PEOPLE  
UNITE AND TAKE ACTION  
TO CREATE LASTING  
CHANGE ACROSS  
THE GLOBE IN OUR  
COMMUNITIES AND IN  
OURSELVES.**

---

To help us achieve our goal, the RI Board of Directors passed a diversity, equity, and inclusion (DEI) statement:

As a global network that strives to build a world where people unite and take action to create lasting change, Rotary values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, color, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

Rotary will cultivate a diverse, equitable, and inclusive culture in which people from underrepresented groups have greater opportunities to participate as members and leaders.

District 7950 fully embraces the Vision and Diversity Equity and Inclusion Statements and incorporates these themes in its operations and in its goals at every level. High ethical standards guide our intentions as we strive to create peace and understanding among all people.

Our District, especially recognizes the responsibility of Rotary in the larger world community and will support and nurture the expansion and enlargement of Rotary and its programs throughout the world.

## ROTARY AT A GLANCE

Rotary brings together a global network of volunteers who dedicate their time and talent to tackle the world's most pressing humanitarian challenges. Rotary connects 1.2 million members from more than 200 countries and geographical areas. Their work impacts lives at both the local and international levels, from helping families in need in their own communities to working toward a polio-free world. Rotary also offers expanded service opportunities including:

- **Early Act:** a school wide service club for elementary students aged 5-13 years.
- **Interact:** a service organization organized and sponsored by Rotary clubs for young adults aged 12-18. There are more than 20,372 Interact clubs in 159 countries.
- **Rotary Community Corps (RCCs):** groups of non-Rotary members who work to improve their communities. There are more than 8,500 RCCs in 90 countries, all organized and sponsored by Rotary clubs.

### Membership Snapshot

**Who:** Rotary brings together the kind of people who step forward to take on important issues for local communities worldwide. Rotary members hail from a range of professional backgrounds; doctors, artists, small business owners, trades people and executives all call themselves Rotarians. Rotary connects these unique perspectives and helps leverage its members' expertise to improve lives everywhere.

**Where:** From Haiti and Greenland to Nigeria and Singapore, Rotary unites a truly diverse set of leaders from across the world. The fastest growing Rotary regions include Southeast Asia

and Africa.

**What:** Rotarians contribute their time, energy and passion to sustainable, long-term projects in local communities across the globe. Projects focus on important issues such as peace and conflict resolution, disease prevention and treatment, water and sanitation, maternal and child health, basic education and literacy, economic and community development and environment.

### **Polio Eradication**

Rotary is close to eliminating the second human disease in history after smallpox, with a 99.9 percent reduction in polio cases worldwide since 1985, when Rotary launched its PolioPlus program. In 1988, Rotary spearheaded the creation of the Global Polio Eradication Initiative with the World Health Organization, UNICEF and the U.S. Centers for Disease Control and Prevention. Polio eradication remains Rotary's top priority.

## ROTARY AND POLIO FACT SHEET

### **Polio**

Poliomyelitis (polio) is a paralyzing and potentially fatal disease that still threatens children in some parts of the world. The poliovirus invades the nervous system and can cause total paralysis in a matter of hours. It can strike at any age but mainly affects children under five. Polio is incurable, but completely vaccine preventable.

### **PolioPlus**

In 1985, Rotary launched its PolioPlus program, the first initiative to tackle global polio eradication through the mass vaccination of children. Rotary's advocacy efforts have played a role in decisions by donor governments to contribute more than \$7.2 billion to the effort.

### **Global Polio Eradication Initiative**

The Global Polio Eradication Initiative, formed in 1988, is a public-private partnership that includes Rotary, the World Health Organization, the U.S. Centers for Disease Control and Prevention, UNICEF, the Bill & Melinda Gates Foundation, and governments of the world. Rotary's focus is advocacy, fundraising, volunteer recruitment and awareness-building.

### **Polio Today**

Today, there are only three countries that have never stopped transmission of the wild poliovirus: Afghanistan, Pakistan and Nigeria. Rotary has reduced the rate of polio 99.9 percent since the start of our first project in 1979, when the world saw about 1,000 cases per day. Today, more than 430 million children in 39 countries have been immunized against polio.

## **Challenges**

The polio cases represented by the remaining one percent are the most difficult to prevent, due to factors including geographical isolation, poor public infrastructure, armed conflict and cultural barriers. Until polio is eradicated, all countries remain at risk of outbreaks

## **Ensuring Success**

Every dollar Rotary commits to polio eradication will be matched two-to-one by the Bill & Melinda Gates Foundation up to \$100 million a year through 2021 and beyond. These funds help to provide much-needed operational support, medical personnel, laboratory equipment, and educational materials for health workers and parents. Governments, corporations and private individuals all play a crucial role in funding.

## **Rotary in Action**

More than one million Rotary members have donated their time and personal resources to end polio. Every year, hundreds of Rotary members work side-by-side with health workers to vaccinate children in polio-affected countries. Rotarians work with UNICEF and other partners to prepare and distribute mass communication tools to reach people in areas isolated by conflict, geography, or poverty. Rotary members also recruit fellow volunteers, assist with transporting the vaccine, and provide other logistical support.

## **‘This Close’ Campaign**

Rotary has a growing roster of public figures and celebrities participating in its “This Close” public awareness campaign, including Bill Gates, co-chair of the Bill & Melinda Gates Foundation; actresses Kristen Bell and Archie Panjabi; WWE superstar John Cena; supermodel Isabeli Fontana; Nobel Peace Prize laureate Archbishop Emeritus Desmond Tutu; action movie star Jackie Chan; boxing great

Manny Pacquiao; pop star Psy; golf legend Jack Nicklaus; conservationist Jane Goodall; premier violinist Itzhak Perlman; Grammy Award winners A.R. Rahman; Angelique Kidjo and Ziggy Marley; and peace advocate Queen Noor of Jordan. These ambassadors help educate the public about polio through public service announcements, social media and public appearances.

## PAUL HARRIS

### FOUNDER OF ROTARY

Paul Harris, the founder of Rotary, was born in Racine, Wisconsin, USA, on April 19, 1868, but moved at the age of 3 to Wallingford, Vermont, to be raised by his grandparents. In the forward to his autobiography, *My Road*

to Rotary, he credits the friendliness and tolerance he found in Vermont as his inspiration for the creation of Rotary.

Trained as a lawyer, Paul gave himself five years after his graduation from law school in 1891 to see as much of the world as possible before settling down and hanging out his shingle. During that time, he traveled widely, supporting himself with a great variety of jobs. He worked as a reporter in San Francisco, a teacher at a business college in Los Angeles, a cowboy in Colorado, a desk clerk in Jacksonville, Florida, a tender of cattle on a freighter to England, and as a traveling salesman for a granite company, covering both the U.S. and Europe.

Remaining true to his five-year plan, he settled in Chicago in 1896, and it was there on the evening of February 23, 1905, that he met with three friends to discuss his idea for a businessmen's club. This is commonly regarded as the first Rotary club meeting. Over the next five years, the movement spread as Rotary clubs were formed in other U.S. cities.

When the National Association of Rotary Clubs held its first convention in 1910, Paul was elected president. After his term, and as the organization's only president emeritus, Paul continued to travel extensively, promoting the spread of Rotary both in the USA and abroad. A prolific writer, Paul wrote several books about the early days of the organization and the role he was privileged to play in it. These include *The Founder of Rotary*, *This Rotarian Age*, and *My Road to Rotary*. He died in Chicago on January 27, 1947.

# ROTARY INTERNATIONAL PRESIDENT

Shekhar Mehta, of the Rotary Club of Calcutta-Mahanagar, West Bengal, India, is the President of Rotary International for 2021-22.

Mehta acknowledges that current membership trends are a challenge and says that membership development should be Rotary's highest priority. He believes that focusing on regional plans, successfully transitioning Rotaractors into Rotary clubs, and increasing diversity and female members could yield a 5 percent net growth in membership each year.

As a strong proponent of Rotary's strategic plan, Mehta says he will encourage clubs to use action plans and reinforce the core values of Rotary.

Mehta says Rotary needs to become more contemporary and adaptable by focusing on partnerships with governments and corporations, expanding partnerships with organizations that specialize in Rotary's areas of focus, and investing in technology.

Mehta, an accountant, is chair of the Skyline Group, a real estate development company he founded. He is also a director of Operation Eyesight Universal (India), a Canada-based organization.

Mehta has been actively involved in disaster response and is a trustee of ShelterBox, UK. After the 2004 Indian Ocean tsunami, he helped build nearly 500 homes for families affected by the disaster.

Mehta pioneered a program that has performed more than 1,500 life-changing heart surgeries in South Asia. He is also the architect of the TEACH Program, which promotes literacy throughout India and has reached thousands of schools.

A Rotary member since 1984, Mehta has served Rotary as director, member or chair of several committees, zone coordinator, training leader, member of The Rotary Foundation Cadre of Technical Advisers, and district governor. He is also the chair of Rotary Foundation (India).

Mehta has received Rotary's Service Above Self Award and The Rotary Foundation's Citation for Meritorious Service and Distinguished Service Awards.

He and his wife, Rashi, are Major Donors and members of the Bequest Society.

# **PRESIDENT-ELECT JENNIFER JONES**

Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become Rotary International's president for 2022-23, a groundbreaking selection that will make her the first woman to hold that office in the organization's 115-year history.

Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact.

As the first woman to be nominated to be president, Jones understands how important it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) Statement. "I believe that diversity, equity, and inclusion ... begins at the top and for us to realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership," Jones said. "I will champion double-digit growth in both categories while never losing sight of our entire family."

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor and chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the Year Award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.).

A current Rotary Foundation trustee, Jones has been a Rotary member since 1997 and has served Rotary as RI vice president, director, training leader, committee chair, moderator, and district governor. She played a lead role in Rotary's rebranding effort by serving as chair of the Strengthening Rotary's Advisory Group. She is the co-chair of the End Polio Now Countdown to History Campaign Committee, which aims to raise \$150 million for polio eradication efforts.

Jones has also received Rotary International's Service Above Self Award and The Rotary Foundation Citation for Meritorious Service. She and her husband, Nick Krayacich, are members of The Rotary Foundation's Arch Klumph Society, Paul Harris Society, and the Bequest Society.

## RI SECRETARY JOHN HEWKO

John Hewko is the general secretary of Rotary International and The Rotary Foundation.

From 2004 to 2009, Hewko was vice president for operations and compact development for the Millennium Challenge Corporation (MCC), a U.S. government agency established in 2004 to deliver foreign assistance to the world's poorest countries. At MCC, he was the principal United States negotiator for foreign assistance agreements to 26 countries in Africa, Asia, South America, the Middle East, and the former Soviet Union. During his tenure, he completed the negotiation of assistance agreements totaling \$6.3 billion to 18 countries for infrastructure, agriculture, water and sanitation, health, and education projects.

Hewko has been a public policy scholar at the Woodrow Wilson International Center for Scholars, an adjunct professor of law at Georgetown University, and a visiting scholar at the Carnegie Endowment for International Peace. He has published papers and articles in leading U.S. and international publications, and he has spoken extensively on political and business issues dealing with the former Soviet Union, Central Europe, Africa, and Latin America. He is also a member of the Council of Foreign Relations.

### **Rotary District 7950 Dues for 2021-2022**

are \$45.00 per member. You will receive an invoice in the mail from the District Treasurer, Roger Cabral. District dues are payable only once per year.

# DOCTOR PERCY HODGSON MEMORIAL AWARD

The late Dr. Percy Hodgson was a member of the Pawtucket Rotary Club who served as Governor of District 198 (one of our predecessors) in 1939-1940. He later went on to the position of Rotary International Director and, in 1949-1950, to President of Rotary International.

A resolution was passed at the 1989 District Conference to establish the annual "Dr. Percy Hodgson Award," in memory of his leadership, assistance and service above self. The honor is bestowed by an Award Panel of seven members, including the District Governor, which selects a Rotarian (not a Past District Governor) who has contributed exceptional service to his or her Club or to the District during the preceding years.

Rotary International  
District 7950

# Southeastern Massachusetts & Rhode Island

Please see  
[rotary7950.com](http://rotary7950.com)  
for more details.

# THE COUNCILS

There are three Councils in District 7950, organized geographically. The councils operate independently of District 7950. Each club may appoint a delegate and one or more alternates as representatives at scheduled meetings.

Contact the Council Chair for time and place of meeting location. All Rotarians may attend and participate in Council meetings. Each Council meeting counts as a make-up for a missed Club meeting. A Council Coordinator serves as an advisor to the Councils.

The purpose of the Councils is:

- Networking within a geographical area;
- Inter-Club fellowship activities;
- Joint service projects, cooperation as desired;
- To provide a forum for discussion and sharing of ideas;
- A dissemination of Rotary information and education.

# INDUCTING A NEW MEMBER INTO YOUR ROTARY CLUB

On behalf of the Rotary Club of \_\_\_\_\_ it is my privilege to induct our newest member(s) today.

(Name or Names) you are beginning a great adventure in leadership, in friendship, in service to your community and your fellow man.

The Rotary Club of \_\_\_\_\_ has accepted you as a person of good character, high ethical standards and a person who has the heart of service and will represent Rotary as a leader in the community.

You have been invited to join Rotary, but it will be through your own actions that you will become a Rotarian. We encourage you to learn all that you can about Rotary and to strengthen your own leadership and communication skills by actively participating in the activities of the club, including attending meetings, social events and service projects.

You will be provided many opportunities through Rotary, both in our club and in the district to enhance and expand your professional and personal skills. These opportunities can provide great value to you.

You will also be provided many opportunities to provide service to others through club, vocational, community, new generations and international service, known as the Five Avenues of Service. Our Rotary motto is **“Service Above Self”**.

The Rotary Club of \_\_\_\_\_ is known for its hands-on work in the community and has been involved in many community and international projects. We welcome your strong arm and your strong heart in this service. We believe **“Rotary Changes Lives”** and this year our motto is **“Rotary Opens Doors”**.

Through your membership, you will enjoy a network of business leaders and professionals and we commit ourselves to do our part in making you feel welcome in the club. When we join Rotary, we become part of something bigger than ourselves. Beyond enriching our own lives, the relationships we build foster understanding across communities and across the globe.

It is my pleasure to present you with your Rotary pin by which your fellow Rotarians and the community will recognize you as a Rotarian. We hope you will wear it proudly each day.

I also have a challenge for you today. My challenge is for you to share the gift of membership, by inviting another person of your character, reputation and commitment to join our club in the next year. The honor of becoming a Rotarian is only surpassed by sponsoring new members into the World of Rotary.

With that, I now declare you duly inducted into the Rotary Club of \_\_\_\_\_. My fellow Rotarians, please help me welcome our newest member(s) into Our Club.
