Rotary 
District 7950

Dear Rotarian,

You are cordially invited to a TWOFER!

FIRST- Rotary District 7950 Membership Committee is planning a special Membership Day to assist you to meet the goals for this year! All club presidents are asked to name a club membership representative/s and send them to the membership seminar on Saturday, November 18, 2023 at the Fairhaven Senior Center 229 Huttleston Ave, Fairhaven, MA, 8:30am through 1pm to including lunch. A day of learning, including strategies for growth and retention, will be offered through stimulating workshops and panel discussions. Come prepared to share your experience, and open to learn from others across the district.

SECOND- A “New Rotarian Orientation” program is planned for the same day. We ask that you encourage and sponsor the new Rotarians (under two years) in your club to participate in a special celebratory program designed for them, to take place at the same place and same time. This opportunity to meet and network with incoming Rotarians, and to learn about avenues of service and collaboration will enhance their participation in your club and allow them to experience Rotary on a broader level. Our new members are encouraged to bring along their laptop, iPad and/or smart phone to enhance their day-of-experience.

A service project supporting your community will be a part of this experience.

Please ensure that each person registers by October 27, 2023 allowing us to purchase the necessary materials to be utilized and plan for lunch. Sorry, but last-minute entrants will not be possible. Each new Rotarian will bring home a number of individual “Blessing Bags” of toiletries etc. prepared to distribute to homeless members of your community. Contact appropriate agencies in advance to determine who best can assist you in distribution.

Send any questions to District Membership Committee Chair Missy Garlisi at mgarlisi@comcast.net.

The cost is \$25 per person to cover costs of materials for the Service Project and lunch. We need to know your participation well in advance to arrange for the project supplies availability.

Remember to register at [ClubRunner: Events Registration For\(crsadmin.com\)](https://www.clubrunner.com/EventsRegistrationFor(crsadmin.com)) on or before October 27, 2023.

Thank you!

Missy
