## Interactors and EarlyActors Attention Please

With Service Above Self at the heart of all we do, we are in a unique position to provide meaningful, participatory volunteer experiences.

Plan an event that addresses a challenge facing your community, and one that fits one or more of Rotary's areas of focus and brings together volunteers from within and outside of your Club.

Tell us how you selected the project, who it benefits and how, explain how the project was executed, include pictures, how many volunteers participated (Interactors and non-Interactors) and please tell us about your nonprofit benefactor.

Tell us about your **April Day of Service** project. You must register here: [NewGen7950@gmail.com](mailto:NewGen7950@gmail.com) Your club could win one of three awards: First Place \$250 — Second Place — \$150 Third Place \$100

## More EarlyAct Clubs Make the Scene Across Our District

Just as we previously considered Rotaract a stepping stone to become a Rotarian, EarlyAct provides great experience to becoming an Interactor.

So, if you want to **grow your Interact program, start an EarlyAct Club**. That's just what a few Rotary Clubs are doing. New EarlyAct Clubs in our District are:

Cold Spring and Federal Furnace Elementary — both in Plymouth.

Henry Lord Community EarlyAct Club — in Fall River

If you need advice, help, ideas, or a speaker for your club's meeting, contact us at [NewGen7950@gmail.com](mailto:NewGen7950@gmail.com)

**Join Our Email List — Stay in Touch**

Keep up to date on everything Interact and EarlyAct in District 7950. This newsletter will be published every two months from October thru June each year by the New Generations Team in Rotary District 7950. Send us your name & email to receive New Generations Update.

June will soon be here. Getting your club ready for September 2022 requires a little planning now. It is recommended that all Interact Clubs hold elections for their 2022—2023 school year before the end of school in June. This allows club officers and directors to begin proactive planning for their leadership year.

**Don't forget to register your Interact Club with Rotary International each year.**

### Henry Lord Community EarlyAct Club

In December 2021, the Rotary Club of Fall River in partnership with Henry Lord Community School, held the first meeting of their EarlyAct Club.

Members were recommended by their classroom advisors for the leadership qualities within the school community. For their first meeting, thirty-plus excited students held a school-wide Holiday Toy Drive for local children in need. They decorated and set up donation boxes in the school and promoted the drive by doing class to class presentations. The toys were then delivered to Blessed Trinity Church for wrapping and distribution.

If you are working with an EarlyAct Club, we want to hear from you.

We want to know your story. Please send your story ideas and pictures to [NewGen7950@gmail.com](mailto:NewGen7950@gmail.com)

Be sure you have school permission to publish their story and pictures.

**All student Personally Identifiable Information (PII) requires permission from the school.**
