

New Generations Update

Where Interactors and EarlyActors showcase their passion and skill

- ◆ There's a new Interact in town.
- ◆ Register your Interact Club with Rotary International
- ◆ The District wide Interact Project 
- ◆ Rotary Youth Exchange 
- ◆ JOIN the D-7950 New Generations Team

Everything, Everywhere, Starts With One Person No matter what it is, everything starts with one person. But soon that idea gains momentum through the acceptance of others. Then momentum grows as others see the possibilities and opportunities.

Megan Munoz had an idea. Her close friends Cat and Alex agreed with her it would be fun and it might work. Together they planned, brought in friends and the idea gained enough momentum that it became a reality, and now there is now an Interact Club at Hingham High School. *Good Job Megan.*

Working with the TriTown Rotary Club, Interactors launched their 1st service project, a 50/50 raffle. They earned \$753, which was donated to the Scituate Animal Shelter. <https://scituateanimalshelter.org>

Why Register your Interact Club with Rotary International ?

Starting September 2022, and moving forward, only registered Interact Clubs will be invited to participate in “Official District 7950 New Generations” service projects and fund raisers. - **Get registered, don't miss out.**

Registering with RI is easy. There is a form that needs to be completed by the Interact Club and sponsoring Rotary Club. That form is then sent to the Rotary District Governor to sign. Then that form is sent to RI. - *Yup, pretty simple*

We will soon announce our major International Service Project

And we really don't have to explain this further, but it will be gripping -

We have been communicating with the incoming President of the Kyiv, Ukraine Rotary Club. There is an Interact Club at the city high school. They do some amazing service projects. Check out their video on our Facebook page NewGen7950. Start planning your fundraiser, and keep us posted.

This fall, the **Rotary Youth Exchange** program in District 7950 will start up again **with the anticipation of an inbound student from the Ukraine**. There will be two different programs available for an opportunity to spend time abroad in a different country. The full year program typically runs from the start of the school year to the end of the school year. The summer program offers a shorter stay, typically a month. In both situations you will live with a prescreened family abroad. During the 10 month program you will live with multiple families and attend school in your host country. Which country would you like to experience? More information can be found at the following:

Rotarians -Join The “New” New Generations

The “New” New Generations Team is looking for District Interact Territory Chairs. In this position you will assist and advise a group of Rotary Clubs, Interact Clubs and EarlyAct Clubs in your territory.

You'll be called upon to: Represent your clubs in youth club service activities - Get and keep your clubs registered with RI - Help new clubs set up their procedural process - Talk with club or school officials about just what is involved with youth service clubs - Suggest service activities for your clubs - Report on projects your clubs are performing - Submit stories and pictures for *NewGen Update*

What you'll get in return are: the opportunity to volunteer with a dedicated group of likeminded Rotarians who believe there is no better service opportunity in Rotary - an opportunity to help plan and direct our District activities several times during the year at New Generations District Committee meetings - and let's not forget, you'll receive a very cool pin to proudly wear at Rotary activities.

Interactors - Make The Most of The Year - Get Involved

Your District NewGen Team is creating several exciting opportunities for Interactors this year. If you or your club would like to help plan and give us feedback on projects please let us know. We will form an 8 member District Advisory Counsel to explain where we are headed and to get your feedback.

If you are interested in joining us, we want to hear from you. NewGen7950@gmail
