Quincy High School

Quincy High Interact earned \$300 for End Polio in October 2021. At lunch, they sold Purple Heart Stickers or painted pinkie fingernails "purple". The QHS Interact Club has 60 members and meets the first Friday of each month under the direction of their advisor, Sheri Eldridge

The Hedge School Book Fair

The EarlyAct Club at the Plymouth Hedge elementary school recently held a book fair where they sold donated books to the students at their school. The club raised \$90 and donated that to a project the school nurse had proposed to them.

This is the third year that the Hedge School has been involved with EarlyAct. Previous service projects involved hosting a Hot Chocolate Day and raising funds for Children's Hospital in Boston, and supporting the animal shelter in Plymouth.

Last year club members held a raffle for two bicycles, donated to the school by the **Middleboro Rotary Club**. They raised \$300. The funds from the raffle were used to purchase dinner for 30 homeless individuals in the Plymouth area. Plymouth Schools are planning for more EarlyAct Clubs.

April Day of Service — Plan Ahead

HELP IS NEEDED

Your home is gone, your school has been damaged beyond repair and you have no idea where your friends are.

What would you do?

Sounds terrible. But for thousands of children and young people this is exactly what they are facing. After 40 tornadoes and floods hit the middle of our country, life will not even remotely be the same as it was the day before this occurred. The devastation left behind by tornadoes on December 10th & 11th, and the floods weeks later, is unimaginable.

Help is needed to provide supplies for the homeless. Removing debris and rebuilding will take years. The Federal Government is involved and so are groups from across the country – in fact groups from around the world are also involved in providing supplies, funding and boots on the ground.

This challenge is here on our doorsteps.

Will you and your club step forward to help?
