

# New Generations Update

*Where Interactors and EarlyActors showcase their passion and skill*

Help us live in ways that protect the fragility of our environment for generations to come.

**May is Youth Services Month, time to celebrate Interact & EarlyAct.**

Finish the year with a joint project.

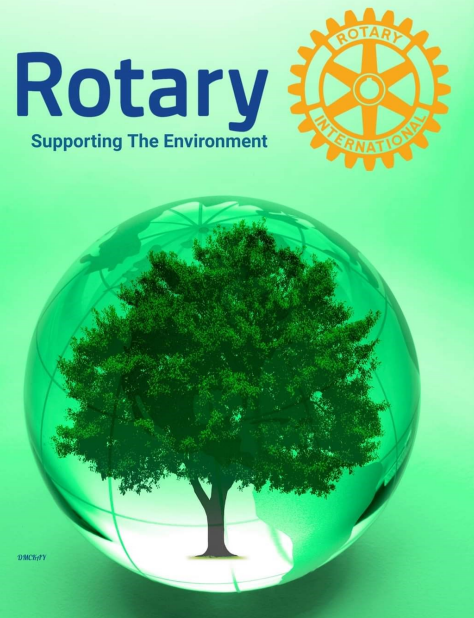

Two Interact or EarlyAct Clubs in Rotary District 7950 will receive grants of \$250 to support an Environmental Service Project. Each Club must raise a minimum matching amount which will be spent on the service project.

**What kind of service project—glad you asked.**

Each project will provide a sustainable habitat for Bees along with a visual explanation of the important contribution that Bees provide in sustaining life on Earth.

Projects must begin by June 6, 2022 and be completed by August 5, 2022.

Contact us for details: [NexGen7950@gmail.com](mailto:NexGen7950@gmail.com)

Two more grants will be awarded during Spring 2023. Will your club be one?

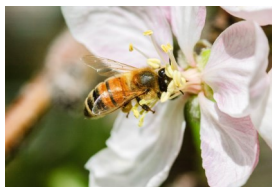

**What will the garden look like?**

**What are you waiting for?**

**Bee proactive.**

**Bee-gin your plan today**

**Some Ideas To Help You Plant Your Bee-Friendly Habitat**

1. Choose plants that attract bees: native wildflowers, flowering herbs, berries, many flowering fruits, vegetables and flowering trees.
2. Pick plants with long bloom cycles.
3. Group enough of these flowering plants together to feed many bees.
4. Add a sloping bird bath with stones for bees to stand on, almost any shallow water source. — Yes, they drink water.

Ask for help we have experts who will reach out to answer questions and give you advice.

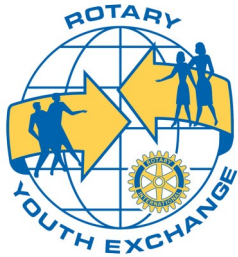

**Join Our Email List — Stay in the Know**

Keep up to date on everything Interact and EarlyAct in District 7950. The newsletter, NewGen Update, is published every two months from October thru June each year by the New Generations Team in Rotary District 7950.

Send us your name & email to receive NewGen Update.

### Rotary Youth Exchange builds peace one young person at a time.

Students learn a new language, discover another culture, and truly become global citizens. Exchanges for students ages 15-19 are sponsored by Rotary clubs in more than 100 countries. **What are the benefits?** Exchange students unlock their true potential to: Develop lifelong leadership skills. Learn a new language and culture. Build lasting friendships with young people from around the world. Become a global citizen. **How long do exchanges last?** Long-term exchanges last a full academic year, and students attend local schools and live with multiple host families. Short-term exchanges last from several days to three months and are often structured as camps, tours, or homestays that take place when school is not in session. You will receive training before you leave. This not a vacation.

### This is a learning experience you'll never forget or will ever be matched in your life.

Imagine living in another country, becoming familiar with that culture through your host family, your new school and the new friends you will make. While you learn about a new culture, your host family and everyone you meet will be learning about you and your country. Everything you say and do will reflect on the United States of America. You will become a Cultural Ambassador of the USA!

## Interactors at Plymouth North High School Celebrate with Rotary Club Members

Tuesday, April 26 was a day to remember in Room 201 at PNHS.

### Club Members Collect

#### More Than 400 Pairs of Socks

Club members collected sock donations from athletic teams and students at PNHS

Leaders of the Interact Club met with School and Rotary officials to discuss past projects and propose new ideas.

Club members received their Interact pins from Rotary Club member and School Superintendent Christopher Campbell. After they were sworn into Interact a small celebration was held for our group. Interact Club Faculty Advisor Beth Keane was awarded an honoree membership in Rotary by the Club. Plans are already underway to bolster membership and select service projects for the 2022-2023 school year.

Here's an idea - check it out.

**Did your club Celebrate Earth Day?** Organize a **Family of Rotary** event, involving brothers and sisters, moms and dads, grandparents. Perhaps your group can pickup trash in a park or along the roadside. Wear shirts that say, "**Interactors at Work**". Celebrate your Service and **Family of Rotary** event with a group picnic. Everyone brings a dish of their favorite food.

Taunton Rotary Club, Quincy Rotary Club, TriTown Rotary Club, Chariho Rotary Club, Martha's Vinyard Rotary Club, Upper Cape Cod Regional Technical School, Taunton High School Interact, Hedge Elementary School EarlyAct, Plymouth North High School Interact, Duxbury Rotary Club, Middleboro Rotary Club, Rotary Club of Braintree, Braintree High School, Rotary Club of the Bridgewaters, Lord Henry Community - these are just a few Rotary, Interact and EarlyAct Clubs we have heard from. Thank you for reaching out to us, we are glad to help. We are here to help you get started or just answer questions about the process.

## Thanks for Reaching Out, we were happy to talk with you.
