## **WELCOME TO ROTARY D7890-D7950 MULTI-DISTRICT CONFERENCE 2021!**

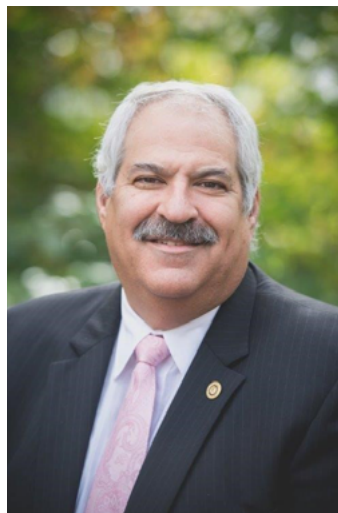

This conference is a true joint effort between Rotarians from District 7890 and 7950. In reality, three conferences had been planned. The first, optimistically, was a fabulous in-person conference which was to be held at a beautiful resort on Cape Cod. The second was a hybrid, as we sought to include people who could safely gather and also those who would not be comfortable doing so. And, finally, due to the protracted confines of the Covid wars, we have assembled a wonderful, fully safe, virtual conference for you to enjoy.

All of the elements are still there – exciting keynote speakers, terrific and timely breakout sessions/discussions and hospitality/fellowship in the evenings!

We wish to express our sincere appreciation to each member of the Multi-District Conference Committee for their flexibility and good nature. Our gratitude knows no bounds when thinking of our District Conference Chair, Tarah M. Warner, who made herding cats seem like the most natural thing to do!!

So, select your sessions, be ready to participate – and enjoy your Multi-District Conference 2021!!

Charlene and Marc

# MESSAGE FROM THE CONFERENCE CHAIR!

When we started planning this conference, the world was a different place. Masks were only reserved for medical professionals; toilet paper wasn't considered a high valued item by society and the hand shake was still an acceptable form of greeting someone. Fast forward a few months and the world we knew had vanished. We were surrounded by rules and regulations changing by the day, and the uncertainty of what was to come, some days, was too much to bear.

During the pandemic, I read the book, *The Greatest Generation*, by Tom Brokaw. This book taught me the meaning of true sacrifice and helped me gain a unique perspective on the world health crisis. Many of the men and women who grew up during the great depression and dust bowl were shipped off to fight or support a war during the latter part of their teenage years. Barely adults, some of them making the ultimate sacrifice, never to return home again. After the war, many returned home thankful for their lives. They had seen the worst of mankind and were ready to move on by starting families, businesses, and making a positive impact on the world.

My hope is that the worst of the pandemic is behind us, and our generation can also begin to move on from this precarious time. Reading this book also reminded me of the Rotarian spirit. Rotarians possess and value duty, honor, respect, and tradition. We persevere and enjoy being a part of something bigger than ourselves. The committee, which is an amalgamation of leaders from districts 7890 and 7950, rose to the challenge of putting on a conference during a pandemic. We adapted and overcame. The members of the planning committee also worked hard to deliver a program that would be relevant to the challenges facing Rotarians today, while still allowing time for fellowship, something we sincerely miss.

I wish to personally recognize and thank the members of the Multi-District Conference Planning Committee for all your hard work in making this conference a reality. I want to take the time to acknowledge Eileen Rau and Paulette Boudrot who have especially gone above and beyond in securing speakers, solidifying the program, and in keeping everyone on their toes during the planning process. I admire these two exceptional ladies and hope to continue to work with each of you in the future. Lastly, I want to send a gigantic thank you to District Governors Charlene Jarest and Marc Glass for choosing me for this role. It was and continues to be an honor and privilege to serve Rotary in this capacity.

I hope you enjoy the conference the committee has put together. Stay well and best of luck for a strong finish to the Rotary year, as we all move forward towards a brighter tomorrow.

Tarah

# HOLGER KNAACK

Holger Knaack, a member of the Rotary Club of Herzogtum Lauenburg-Mölln, Germany, has been selected to serve as president of Rotary International in 2020-21.

To build a stronger membership, Knaack says Rotary must focus on increasing the number of female members and transitioning Rotaractors into Rotarians.

Knaack believes that the People of Action campaign offers new public awareness possibilities for Rotary. “This campaign conveys our global image while still respecting differences in regions and cultures,” he says.

A Rotary member since 1992, Knaack has served Rotary as treasurer, director, moderator, member and chair of several committees, representative for the Council on Legislation, zone coordinator, training leader, and district governor.

He is an endowment/major gifts adviser and co-chaired the Host Organization Committee for the 2019 Rotary International Convention in Hamburg.

Knaack is the CEO of Knaack KG, a real estate company. He was previously a partner and general manager of Knaack Enterprises, a 125-year-old family business.

He is a founding member of the Civic Foundation of the City of Ratzeburg and served as president of the Golf-Club Gut Grambek. Knaack is also the founder and chair of the Karl Adam Foundation.

Knaack and his wife, Susanne, are Major Donors to The Rotary Foundation and members of the Bequest Society.
