Operation Upgrade

... a NPO/NGO
with well proven
experience in the
field

Operation Upgrade Mission...

.....to assist social change and development in South Africa through the support and provision of adult literacy and adult basic education and training.

Aim of the KwaJobe Project

.....to work for social change for a minimum of 200 adult learners through literacy and adult basic education classes in the underprivileged and impoverished area of KwaJobe.

Durban...

....one of many urban areas of South Africa such as Cape Town, Johannesburg and Pretoria

KwaZulu Natal – near Hluhluwe

Homesteads

Learning & teaching literacy...

The needs for the project are quite simple and include

- training 5 literacy educators
- training kits
- travel and accommodations to KwaJobe

Learner curriculum includes

- human rights
- gender equality
- project planning
- local government
- workplace matters
- childcare and family health
- HIV/AIDS
- nutrition
- domestic violence

Life skills such as..

- getting an Identity Document
- using a bank
- writing and posting a letter
- wise buying
- livelihood development, and more.

HIV/AIDS

- Education and support in the literacy classes and in the wider community

Most participants are women...

and bring their “work” with them...

They name their groups.

They gather to learn...

determined to make changes....

Water support....

Water tower donated by Rotary

Food security

Food security tunnels

Success...

Income generation....

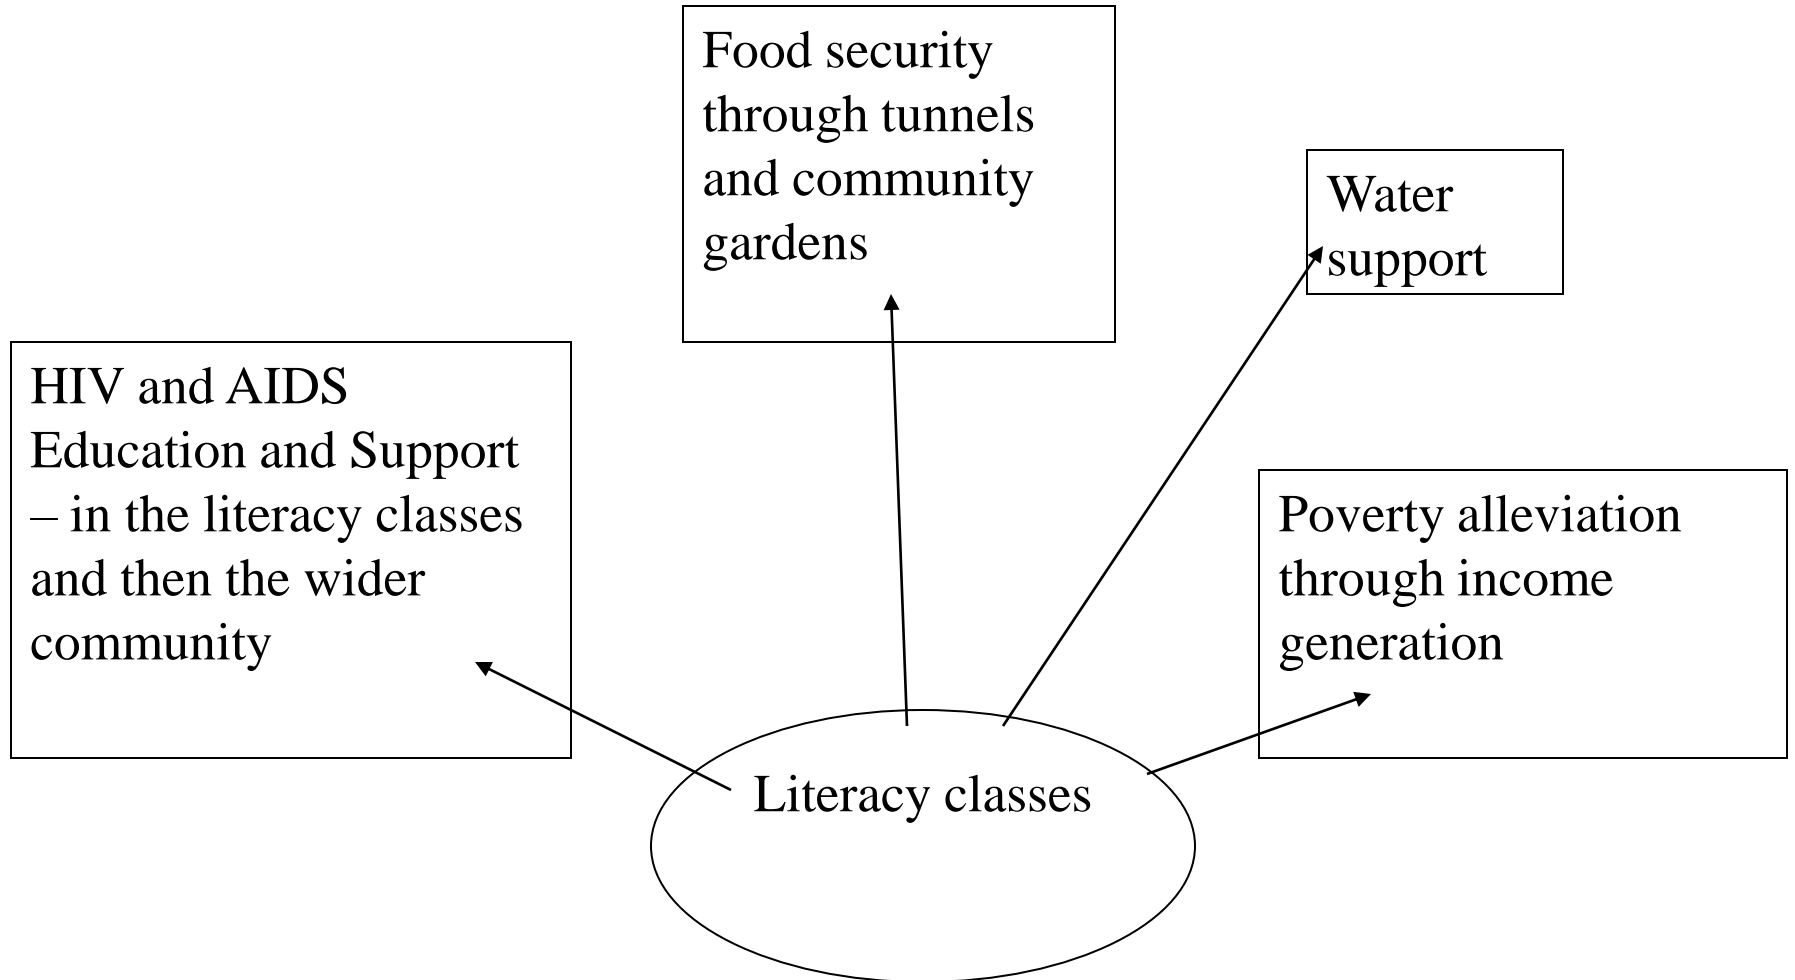

Some project expenses

- Educator kits
- Trainee travel & accommodations
- Equipment
- Supplies
- Learner books
- Teaching stationary
- Introduction to AIDS kits
- Food tunnels
- Seeds, fencing

The model...

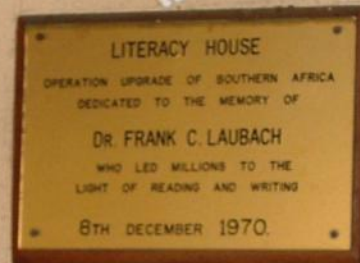

UNESCO Prize awarded to OpUp

...a new day is dawning at KwaJobe...

...and thanks to people like you

The future....
