## Donations in Kind working Bee

**Saturday, August 18, 2018 from 9:30 AM - 1:30 PM**

Rotary Australia Worldwide Community Service Central Region will be providing a BBQ for all those who come along to the joint district working bee at the RAWCS Donations in Kind (DIK) facility at Edinburgh on Saturday, 18th August 2018. Rotarians and friends from all clubs in the two districts are invited to attend this working bee that nominally starts at 9:30am and the BBQ starts at Midday. Your assistance on the day will greatly help the running of DIK, one of Rotary Australia World Community Service's most dynamic but unsung.

Your help on the day will substantially complement the steadfast efforts of the DIK committee, regular volunteers and clubs that have had working bees at DIK in the past. As well as providing constructive help to, these working bees provide Rotarians and friends the opportunity for having fun while working together on a common cause and good fellowship. A program of priority tasks has been identified that would be a great opportunity for you and your club to get hands on international service locally.

***Note: Turn left at the first roundabout on Taranaki Rd & follow the signs.***
