## Diary Dates – Rotary Making a Difference, – November 2017

### All of November - Rotary Foundation month

**By end of November - Has your club organised it's AGM including nomination of the President Elect and Club management teams – LRN's will commence early in 2018.**

**23 December 2017 – Last day for any motions to be considered at the District AGM.**

**21 January 2018 – Closing date for District awards – see pages 66-68 of the Vade Mecum**

### From my desk.

Hello Readers.

We issue the Horizons on a weekly basis as the Districts primary communication tool for the dissemination of general information. It is sent to each Rotarian for whom we have an email and it is also sent to some interested persons outside of the District.

We acknowledge that many Rotarians don't read it, although on all occasions it contains relevant info for all.

I acknowledge that the level of interest in Rotary varies between Rotarians – for some, what happens at club level is enough, others want to get in boots-n-all and then, there are those in between. Which of the latter two are you?

The important thing is, the information is made available to keep you abreast of District happenings relevant to you.

Our "Murder on the Orient Express" movie night was a great night and a success with significant monies raised on the night to support Rotary's Polio Plus efforts. Well done Doug & Friends and all those that came along.

The District Leadership Team (Dmfc, Team leaders and AG's) are having a Christmas gathering this weekend and we're doing a "gift giving" with a difference. We're bringing a child's gift that will find its way into the hands of a child in need through the Dept for Child Protection. A great way to bring the spirit of Christmas to children in need.

Keep well and 'til next time.

ROTARY: MAKING A DIFFERENCE

**Combined  
District 9500 & 9520 Conference  
23 - 25 March 2018**

The 2018 District Conference is an event combined with our friends to the South East of our district – D9520. DG Bob and I have called it “Joining Rotary – a conference with a difference”. This is not just because the two districts are coming together, but because we see the conference as an opportunity for you to bring someone that you feel would make a great Rotarian but needs a “bit more” to bring them over the line to actually joining your Club.  
*DG Peter Schaefer*

The Barossa Conference will be ‘Making A Difference’ for all attendees....

- Inspirational Speakers just for a start
- Showcase of Rotary Club Projects & Programs Displays
- Be part of the ‘Hands On Projects’ and these valuable projects

... *So be part of the Difference and join us in March 2018*

### Prospect – Health Check day

RC Prospect conducted a “Health Check Day” recently at the relocated Prospect Fair on Broadview Oval – moved from March to October and from St Helens Park to Broadview Oval. This was a highly successful day with over 130 people – Men and Women, were given a health check via 9 check points including a final review by Doctors – great effort by all.

# ... Conference Showcase ...

## To Convenors of Club Projects, Committees and Rotary Programs

The combined Rotary Conference, to be held in the Barossa Arts and Convention Centre in 2018, will feature a Rotary Showcase where Clubs, District and Rotary affiliated programs can display and issue materials to publicise and promote their activities.

You are invited to apply for the allocation of Display Spaces at the Conference.

The Conference commences at 1pm on Friday 23<sup>rd</sup> March with Registration open from 9.30am. The conference concludes at 1pm on Sunday 25<sup>th</sup> March.

The Convenor of the Rotary Showcase is PP Les Dennis (RC Regency Park) [lesdennis@bigpond.com](mailto:lesdennis@bigpond.com) 0408 813 966

Because this is a combined Conference highlighting **Coming Together**, it is likely that there will be a heavy demand for available spaces. Convenors and key personnel are urged to contact Les to reserve a spot in the display area asap.

For those activities which are duplicated across D9500 and D9520 such as RYLA, ROMAC, Shelterbox, the convenors and Chairs are requested to have a joint display area.

To reserve your spot and obtain further details,  
contact Les now. Malcolm Lindquist. Conference Chair
