From my desk.

Hi Readers ☺

By now you'd all be aware that the 2018 District Conference is an event combined with our friends to the South East of our district – District 9520.

Bob and I have called it "Joining Rotary – a conference with a difference". This is not just because the two districts are coming together but because we see the conference as an opportunity for you to bring to the conference someone that you feel would make a great Rotarian but needs a "bit more" to bring them over the line to actually joining your Club. At a discounted registration fee (\$225), these prospectives can attend the full conference including the dinner/s, but they'll also get the opportunity to see first-hand, the great and diverse areas where Rotary and Rotarians make a difference here and across the world.

In planning the event, we are placing an emphasis on the showcase, where Rotarians and their guests can interact first hand with subject matter experts to learn more about the many projects and the programs of Rotary. They'd also have the opportunity to get engaged in one of our four hands-on projects or at least witness Rotarians at work.

This will be a great way to reinforce to them the good that Rotary does and whet their appetites to make that commitment to join.

These prospectives could be a work colleague, your neighbour, one of your children or an in-law – in fact, anybody that you feel would go on to become a committed Rotarian.

Think about who you'd like to share the conference with, invite them along and include them in your registration.

'til next time.

... Conference Showcase ...

To Convenors of Club Projects, Committees and Rotary Programs

The combined Rotary Conference, to be held in the Barossa Arts and Convention Centre in 2018, will feature a Rotary Showcase where Clubs, District and Rotary affiliated programs can display and issue materials to publicise and promote their activities.

You are invited to apply for the allocation of Display Spaces at the Conference.

The Conference commences at 1pm on Friday 23rd March with Registration open from 9.30am. The conference concludes at 1pm on Sunday 25th March.

The Convenor of the Rotary Showcase is PP Les Dennis (RC Regency Park) lesdennis@bigpond.com 0408813966

Because this is a combined Conference highlighting **Coming Together**, it is likely that there will be a heavy demand for available spaces. Convenors and key personnel are urged to contact Les to reserve a spot in the display area asap.

For those activities which are duplicated across D9500 and D9520 such as RYLA, ROMAC, Shelterbox, the convenors and Chairs are requested to have a joint display area.

To reserve your spot and obtain further details, contact Les now.

ARE YOU THE NEXT ROMAC OPERATIONS DIRECTOR?

Position vacant

Rotary Oceania Medical Aid for Children (ROMAC) requires a self-motivated Rotarian to fill the role of Operations Director.

The position requires the Rotarian to become a Director of ROMAC entities and take overall responsibility (together with the ROMAC Operations Manager), for all operational matters pertaining to the processing of referrals through to the safe return, after treatment, of the ROMAC Patient and their Carer.

To be a successful in this role a candidate will require the following attributes:

1. Proven organisational skills
2. Experience in negotiations at a high level. Experience within the medical and health delivery areas, and other State and Federal government departments, would be beneficial.
3. Confident in their computer skills and demonstrable skills in this area are essential.
4. The Operations Director requires a personality and an ability to accommodate different cultures and encourage volunteers to work as a team.
5. The Operations Director also requires a big heart and be prepared to be one of the key persons to enable ROMAC to fulfil its Mission; that of providing specialist treatment for children from developing countries, in the form of life saving and/or dignity restoring surgery not accessible to them in their home country

Please direct your application, or queries, to the ROMAC Chair, Rob Wilkinson, at chair@romac.org.au

RAWCS - Project

Kula Spirit

The Kula Spirit is a private boat clinic (licence number 0201) that delivers health services to rural communities in Milne Bay Province of PNG (MBP) through Rotary and Spacim Pikinini-PNG Inc (SP), a registered NGO, not-for-profit charity focused on maternal health and family planning. The Kula Spirit has been operating in Milne Bay since 2015 providing much needed medical supplies, equipment, contraceptive implants, support, training and capacity building for health facilities. Partnering with the Milne Bay Provincial Health Authority (MBPHA), St Barnabas School of Nursing, PNGATSA, UPNG and church health agencies, the Kula Spirit has conducted a number of successful outreach programs across the province. Since 2013, SP has provided some 60,000 family planning implants, giving women the right to choose and preventing an estimated 90,000 pregnancies.

Objectives:

- To reduce maternal mortality in Milne Bay; and
- To increase under five survival rates in Milne Bay.

Needs

In order to expand our work and achieve our objective to improve maternal health outcomes in Milne Bay, we need support. In particular, we face an immediate funding need to cover repairs and maintenance of the Kula Spirit in order to keep her sea worthy. Initially, we need immediate funding of some AUD30,000 to cover this maintenance work load (rebuild of engine). Any form of financial support or donations would be greatly appreciated and allow us to strengthen struggling health facilities and meet the needs of rural communities.

Rotary Friendship Exchange

Warm greetings from South Africa (D9400).

I would like to invite your district to exchange with us, i.e. District 9400.

Should your district be interested in a potential **exchange**, it will be appreciated if your Friendship Exchange co-ordinator in your district **contact Arina Janse van Rensburg, RFE D9400 Chairperson** (arinajvensburg@gmail.com) so we can start with the planning of an enjoyable exchange between the two districts.

- **EXCHANGE TIP:** Our district is a popular exchange, which is great for us, but you may find you have to **JUMP to secure your visit to our district!** So, my advice is to review your calendar and reply with proposed exchange dates. Exchanges are confirmed based on the 1st received confirmation in terms of month/year for both to and from your district. [Click here to view our calendar.](#)
- **Availability is subject to change without prior notification.**

Information on our exchanges:

We can host 12 travellers single or a couple. Depending on interest in terms of a return visit to you, we plan on sending the same number to your District.

We prefer to host for approximately 14 days, including days of arrival and departure, and will appreciate it if you can accommodate us for the same number of days.

D9400 covers the following countries, Botswana, Swaziland, Mozambique and the following provinces in South Africa – Gauteng, Limpopo, North West and Mpumalanga. You can easily be hosted in 2 of the 4 Countries but incorporating 3 or more might prove to be too much as travelling between the Countries over a 14 day period means covering quite a distance with added flights.

Due to the above we have tailor-made packages ranging between Platinum, Gold and Silver that will help you make a decision. Please note the Platinum and Gold packages will have an added financial implication for inbound guests to D9400. For more information on the options available to you please click on the following link to visit our blog: [VISIT D9400 - Pick a Package!](#)

Thank you for the links of information to your district.

Attached you'll find some marketing material to distribute and build enthusiasm!

We are excited about the prospects of an exchange between our two districts, and look forward to hear from your district in the near future!

Calperum news – looking back at the original news letter

Attached is a copy of the original newsletter from Autumn 2015 (doesn't seem that long ago)

With the development of the Riseley Forest at Calperum to assist the request from World President Ian Riseley for every Rotarian in the world to plant a tree.

You may say – what is Calperum?

Please read the attach newsletter which will go some way to explain what Calperum is.

The other way is to contact either PDG John Campbell (0408 847 757) or District Secretary Jeff Cluse (0417 573 696) (both committee members) to come and provide a “Guess Speaker” spot at your club.

Prospect to doing a working/social visit in May Thurs 24th till Sun 27th 2018 – come and join us – contact Jeff Cluse.
