### From my desk.

Hi Readers ☺

How fast time passes, a quarter of this Rotary year is already behind us – 9 months left to 'Make a Difference' or many 'Differences' throughout the world. Numerous regions around us are in need of Rotary's assistance; hurricanes, volcanos, mud-slides and fires and then there's famine, disease and conflict. Further to these, there are ongoing issues of poverty, discrimination, violence, inequity and hunger in our immediate surroundings. Of course we can't fix all of these in 9 months but we can, and will in that time, improve the lives of some of those affected. Without qualification, we'll of course continue making a difference for many decades to come. Keep up your good work.

I'm asking for help from Clubs. We want to make a difference at this year's Conference and are inviting participants to get involved in one of 4 projects during 'free' time on the Saturday afternoon. One of these activities is making 10 artificial hands, with the "Hands On Project" - artificial hands for SE Asia.

If your Club is able to sponsor a "hand" at \$500 each, can you contact me please on 0407 977 345 or via [dg17-18@rotary9500.org](mailto:dg17-18@rotary9500.org).

If you've already offered support, can you please respond again? Thanks...

'til next time.

# ... Conference Showcase ...

## To Convenors of Club Projects, Committees and Rotary Programs

The combined Rotary Conference, to be held in the Barossa Arts and Convention Centre in 2018, will feature a Rotary Showcase where Clubs, District and Rotary affiliated programs can display and issue materials to publicise and promote their activities.

You are invited to apply for the allocation of Display Spaces at the Conference.

The Conference commences at 1pm on Friday 23<sup>rd</sup> March with Registration open from 9.30am. The conference concludes at 1pm on Sunday 25<sup>th</sup> March.

The Convenor of the Rotary Showcase is PP Les Dennis (RC Regency Park) [lesdennis@bigpond.com](mailto:lesdennis@bigpond.com) 0408813966

Because this is a combined Conference highlighting **Coming Together**, it is likely that there will be a heavy demand for available spaces. Convenors and key personnel are urged to contact Les to reserve a spot in the display area asap.

For those activities which are duplicated across D9500 and D9520 such as RYLA, ROMAC, Shelterbox, the convenors and Chairs are requested to have a joint display area.

To reserve your spot and obtain further details, contact Les now.

Malcolm Lindquist. Conference Chair

## Australia Award Fellowship – Adelaide Parks

The Rotary Club of Adelaide Parks (RCAP) has been successful in its application for funds to host an Australia Awards fellowship. Australia Awards fellowships are an Australian Government initiative managed by the Department of Foreign Affairs and Trade (DFAT). They are provided as part of Australia's overseas aid program.

Australia Awards fellowships offer Australian organisations such as RCAP the opportunity to deepen and broaden links with leaders and professionals in developing countries by hosting fellows from overseas partner organisations, in this case, the GIFT Foundation from Tamil Nadu, India. RCAP has previously funded scholarships for disadvantaged students to attend AGN School, founded by the GIFT Foundation in 1998-99.

### **Polio Movie Night November is Foundation month - plan ahead**

Please see attached the presentation for this year's **Polio Movie Night**. We have today received approval from 20<sup>th</sup> Century Fox Studio to release this presentation to you all. It will be supported by a full page advert in RDU magazine with some editorial about the movie. Also, we are fortunate to have the same release date across Australia and New Zealand. This activity has proved very successful in the past raising over \$200k for **Polio**.

Our relationship with the studio now has the benefit that they understand the Rotary target market and help to identify the movie that is suitable for us. We have what is known as a “closed group” pre-release. It is not exclusive but as close as possible. Rotary is one of the selected groups to have access to the pre-release with all funds raised going to **Polio**.

The goal is to raise \$50m to get the Bill and Melinda Gates match of 2-1. This is an ideal event as most of the funds come from outside of Rotarians.

Contact Doug Layng – Foundation Team Leader for further details.

# SUPPORT

## TEAM CENTURION

### NOW!

Have you sent your AU\$100 (or more) to D9500 Team Centurion this Rotary year?

If every Rotarian in D9500 contributed just AU\$100, the D9500 contributions to the Australian Rotary Foundation Trust, could be AU\$100,000! How's that for a Challenge?

All personal donations are tax deductible and are deposited into the Annual Programs Fund, for which the donor gains PHF Recognition points, and the funds support for the Foundation's humanitarian programs. Rotarians whose donations over time reach US\$1,000 will be awarded a Paul Harris Fellow.

If your Club also contributed an additional AU\$100 per Club member, imagine how much more we would be able to achieve in our local communities, as well as internationally, through both District and Global grants.

Send your donation (with the application form) NOW to

**Ken Dorrington, Team Centurion, PO Box 383, PROSPECT SA 5082**

A tax-deductible receipt will be forwarded to you by RI Parramatta.

A Donor Form is available at <http://portal.clubrunner.ca/50056/SitePage/centurion-club-application-form>

**A strong Rotary Foundation means a strong Rotary!**

## DG Peter and Jenny's – Fur Babies

On a recent visit to DG Peter's property in the Adelaide hills (on official business of course), my wife and I took our 18 mth old Grand Daughter – Bridget, to see the Schaefer's "Fur Babies".

We met a very friendly chook from across the road and two Alpacas – Pedro and Cisco, who were not sure what to make of this small human and we also saw some neighbour's sheep.
