### From my desk.

Hello Readers.

I sadly inform you of the passing of PDG Colin Thorn (RC of Largs Bay and Barossa Districts).

He passed away last Wednesday 1<sup>st</sup> November.

At this time his wife Joy and Family wish to grieve privately.

It is expected that his Death Notice will be in Monday's edition of the Advertiser, and although not confirmed, His funeral may be on Thursday 9<sup>th</sup> November, in the Barossa Valley.

So, we're now into November and I have only a handful of DG Club visits remaining.

The District has certainly been busy throughout the past months. District representatives and Team Leaders have been Guest Speakers at many club meetings, The Membership team has conducted an informative and inspiring seminar, we've had some of our members attend the Future Leaders event in Darwin, some Rotaractors attend the National Rotaract Conference in Sydney and just last weekend, the AG's and the G-train engaged in a facilitated Strategic Planning workshop.

Our focus for November is the Rotary Foundation. Arch Klumph started the Foundation just over 100 years ago to enable Rotarians "to do good in the World". It's through the Foundation that much of the global works of Rotary are funded and that is why we at District level encourage Clubs and individuals to support the Foundation,

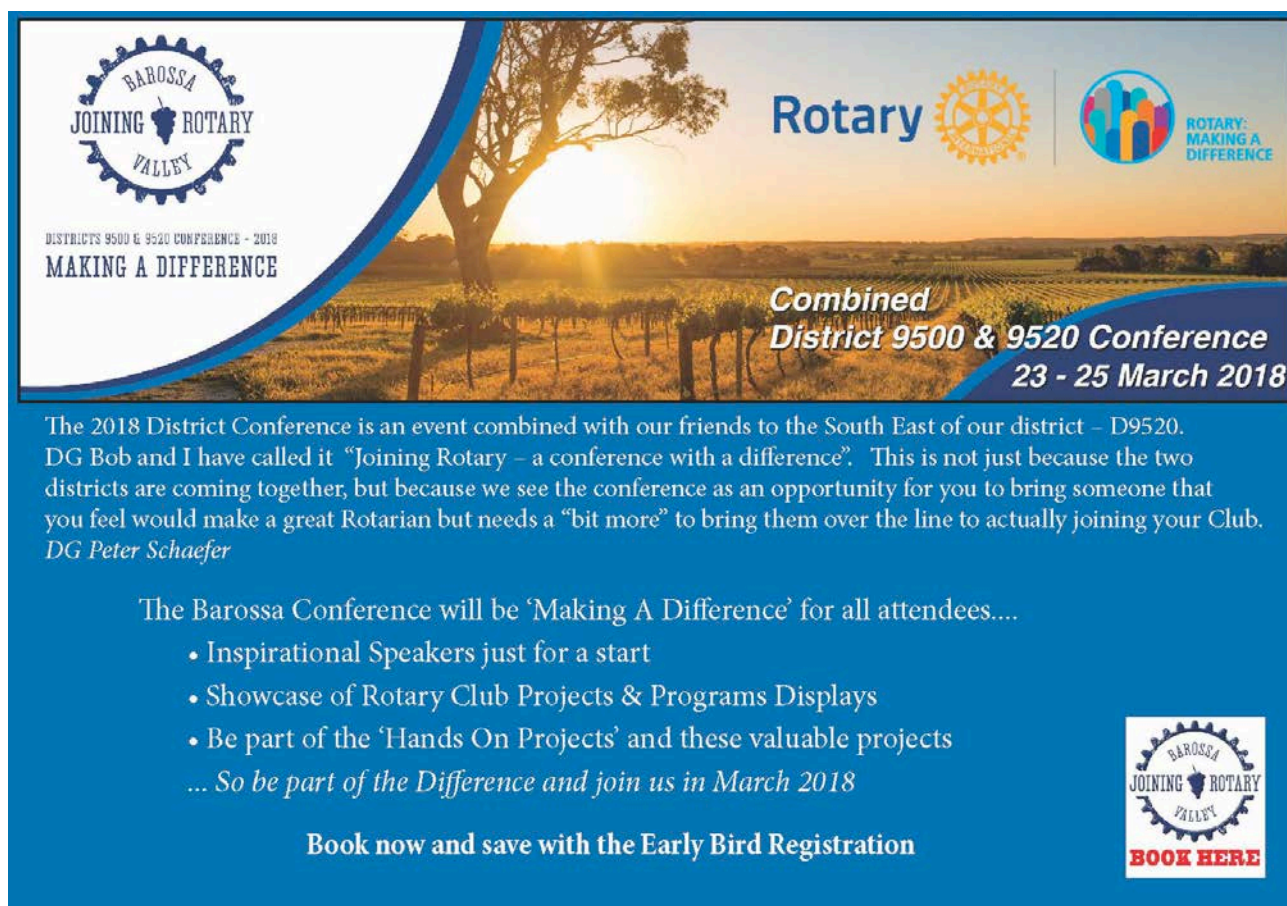

through the Centurion program, annual pledges by Clubs, personal donations or endowments, bequests and benefactors and as a Society member.

Several Clubs have presented cheques to me, during my official visit, to forward onto the Foundation. These monies have been for the Foundation's general fund and sometimes for the Fund's End Polio program, "PolioPlus". As an object for November, I encourage Clubs to support the Foundation by making a donation.

Keep well and 'til next time.

The 2018 District Conference is an event combined with our friends to the South East of our district – D9520. DG Bob and I have called it "Joining Rotary – a conference with a difference". This is not just because the two districts are coming together, but because we see the conference as an opportunity for you to bring someone that you feel would make a great Rotarian but needs a "bit more" to bring them over the line to actually joining your Club.  
*DG Peter Schaefer*

The Barossa Conference will be 'Making A Difference' for all attendees....
