From my desk.

Hi ho Readers ☺ (I've been listening to too much of Peter Goers- of ABC radio fame)

How will this effect Rotary? A point to ponder.

There's been a bit of discussion in the "media" of late about AI (artificial intelligence - Robots) creeping into the future workplace, affecting not only 'process work' but all forms of work activity. Much of what we currently do (about 30 %), including knowledge based tasks previously considered immune to AI, is expected to be automated within the next decade or two.

So, what happens to those who are not employed, or not employed in the contemporary sense? All those things that meaningful work brings us - purpose, engagement, confidence, interaction etc will need to be nurtured in another way, to bring purpose to life to maintain physical and mental wellbeing.

This is where volunteering (through Rotary of course) may provide an essential environment for purpose. Where we as Rotarians and Rotary Clubs recognise such changes in our communities and acknowledge our place in this ever changing world, we can capitalise on our well established and highly recognised brand and way of giving meaning to day to day life. I remind you of something I wrote several issue back; what we do through Rotary not only helps those in need, but it benefits us as individuals, and it's the intangible things such as purpose, that keep us on that content path of mental wellbeing.

'til next time.

... Conference Showcase ...

To Convenors of Club Projects, Committees and Rotary Programs

The combined Rotary Conference, to be held in the Barossa Arts and Convention Centre in 2018, will feature a Rotary Showcase where Clubs, District and Rotary affiliated programs can display and issue materials to publicise and promote their activities.

You are invited to apply for the allocation of Display Spaces at the Conference.

The Conference commences at 1pm on Friday 23rd March with Registration open from 9.30am. The conference concludes at 1pm on Sunday 25th March.

The Convenor of the Rotary Showcase is PP Les Dennis (RC Regency Park) lesdennis@bigpond.com 0408813966

Because this is a combined Conference highlighting **Coming Together**, it is likely that there will be a heavy demand for available spaces. Convenors and key personnel are urged to contact Les to reserve a spot in the display area asap.

For those activities which are duplicated across D9500 and D9520 such as RYLA, ROMAC, Shelterbox, the convenors and Chairs are requested to have a joint display area.

To reserve your spot and obtain further details, contact Les now.

Malcolm Lindquist. Conference Chair

Polio Movie Night November is Foundation month - plan ahead

Please see attached the presentation for this year's **Polio Movie Night**. We have today received approval from 20th Century Fox Studio to release this presentation to you all. It will be supported by a full page advert in RDU magazine with some editorial about the movie. Also, we are fortunate to have the same release date across Australia and New Zealand. This activity has proved very successful in the past raising over \$200k for **Polio**.

Our relationship with the studio now has the benefit that they understand the Rotary target market and help to identify the movie that is suitable for us. We have what is known as a “closed group” pre-release. It is not exclusive but as close as possible. Rotary is one of the selected groups to have access to the pre-release with all funds raised going to **Polio**.

The goal is to raise \$50m to get the Bill and Melinda Gates match of 2-1. This is an ideal event as most of the funds come from outside of Rotarians.

SUPPORT TEAM CENTURION NOW!

Have you sent your AU\$100 (or more) to D9500 Team Centurion this Rotary year?

If every Rotarian in D9500 contributed just AU\$100, the D9500 contributions to the Australian Rotary Foundation Trust, could be AU\$100,000! How's that for a Challenge?

All personal donations are tax deductible and are deposited into the Annual Programs Fund, for which the donor gains PHF Recognition points, and the funds support for the Foundation's humanitarian programs. Rotarians whose donations over time reach US\$1,000 will be awarded a Paul Harris Fellow.

If your Club also contributed an additional AU\$100 per Club member, imagine how much more we would be able to achieve in our local communities, as well as internationally, through both District and Global grants.

Send your donation (with the application form) NOW to

Ken Dorrington, Team Centurion, PO Box 383, PROSPECT SA 5082

A tax-deductible receipt will be forwarded to you by RI Parramatta.

A Donor Form is available at <http://portal.clubrunner.ca/50056/SitePage/centurion-club-application-form>
