### From my desk.

Hi Readers ☺

Last week I mentioned that the G-train and others attended the Zone Institute / Future Leaders seminar/ Trainers forum in Darwin. I described it as a National Conference, open to all.

Guess what! – It was decided at the Institute AGM that from now on it will be called the "Australia New Zealand Rotary Conference" (a bit of Governors intuition there ☺). An annual event, rotating around Australian states with every third event held in NZ. The next is in Hobart on 14–16/Sept 18.

Rotary's General Secretary John Hewko, gave a poignant presentation that resounded with many there – He asked, "If you were to start a Rotary club from scratch, what would it look like?" It was an interesting question, and one not previously by many of those attending the Darwin Institute. The idea that our clubs can be whatever we want them to be. If we want to have a meal, we can, if we want to have drinks, we can, if we want to meet in a park or while doing a project - we could do that too. How and where we meet and how we shape our Club depends on the members, and what suits them. Not all clubs look the same - nor do they need to, yet our purpose and values are still the same; an organisation built on ethics and morals, and to bring good to the world.

This was the very same message that we delivered two weeks earlier at the Regional Membership Conference. Now let's run with it.

*(also, the feedback summary appears further on)*

A few of you have enquired about a DG's newsletter... I'm not convinced that one is necessary. I believe that we are keeping you well informed through this weekly communication and I'm not sure what more can be achieved from another newsletter. I'm open to discussion though!  
'til next time.

Rotary: Making a Difference

## Royal Flying Doctor Service (RFDS).

The donation was made by the trustees of the Peter Sutton Fund as a thank you to the RDFS for their hospitality towards the VTT member from Vanuatu, Morinda Toara. Morinda and the VTT team were given a tour of the RDFS facilities at West Beach.

Trustees, Jim Davies and Ashleigh Lorraine present a \$500 cheque from the Peter Sutton Memorial Group Study Exchange Safari Fund to Ross Curtis, Donor Relations Manager for the Royal Flying Doctor Service.

Since 1986, incoming Exchange teams have been given an outback experience in places as diverse as the Flinders Ranges, Ayers Rock, Port Lincoln, River Murray and a host of other destinations. The Trustees wished to acknowledge and thank the RDFS for always being available if needed for an emergency in these remote locations. Fortunately, Rotary has never required their services in this way.

Clubs, individuals or business can donate to the Peter Sutton fund by contacting either Jim or Ashleigh. The trustees (see page 49, District Resources & Reference Guide Book) are also available to visit clubs to talk about the origins and value of the Fund to GSE and now VTT.

## Bookings for The District Conference are *now open*.

The conference committee have finalised arrangements for the various Conference events including the 'Hands On Projects'.

As our commitment to 'Making A Difference', we would like to offer you the opportunity to 'Book Now'.

Right is a direct link to the on-line booking and payment form and I encourage you to book now with the 'early bird offer'.

## RAH Equipment for Kenya – by RC Walkerville.

THE ROYAL ADELAIDE HOSPITAL has partnered with Rotary to send hospital beds, medical equipment and ward furniture from the old RAH, overseas to help Third World communities. This is the largest donation of its kind, and they want to ensure that surplus equipment is donated to those who need it most.

DONATIONS IN KIND has taken on the task of working with con-tacts overseas to determine needs

The project requires the following assistance;

1/ Man power to assist loading the container.

2/ Financial assistance to meet the budget and the Rotary Foundation requirements

## Prospect – Mental Health First Aid - New Venue

Prospect is inviting all interested in hearing David Morgan, a specialist in Mental Health First Aid to attend their meeting Wednesday, September 13, 2017 6.00 for 6.30pm at NEW LOCATION

As our numbers for this night grew, we found that we needed the larger room at the Hackney Hotel. Unfortunately, it was already booked for another corporate, so we needed to find an alternative venue for Wednesday September 13 to hear David Moran on Mental Health First. See download invitation. You must book if you intend to attend.

## Membership Conference – Copy of Presentations.

These are all available from the District web site as a resource for you to use.

## Regional Membership Conference - more resources

I am now able to share Mitty Chang's presentations. Mitty is very much in demand, and soon after arriving back in the US, he flew out to Asia for another engagement, and is now back home again. My apologies for the delay. His presentations are highlighted in red below.

In addition to the resources I shared last week (below), I can now offer a compilation of all feedback from the breakout sessions: [Download Here](#)

Other resources you may find interesting: Rotary on the Move is a monthly Australian publication with a strong membership focus. You can download the September issue here, and it includes information on subscribing to future issues.

## Move to nRAH - Be Part of History (From the RC Adelaide Bulletin)

With this week's opening of the new Royal Adelaide Hospital (nRAH) comes the opportunity to utilise equipment no longer required. Rotary's Donations in Kind (DIK) has been given the role of coordinating the distribution of all surplus goods from Royal Adelaide Hospital (RAH) that are intended for overseas destinations.

RC Adelaide's Global Grant Project in Davao, The Philippines, includes the provision of suitable medical equipment for the community medical centre there, so the club hopes to be able to source these items from the RAH, as they will be a valuable resource for this project. Colleagues from the East Davao and Waling Waling Davao Clubs are currently considering the extensive list of surplus items to indicate what they require.

In due course, RC Adelaide members will be called upon to assist with the loading of this equipment, so this is just preliminary advice to club members requesting their availability for this exercise when it does happen.

*Reg Hutchinson (RC Adelaide)*
