To help us, you can 'log in' through the District Website (www.rotary9500.org), or if you do not know your District Login and Password please ask your Club President or Secretary to check your email address on your behalf. ***Perhaps it is time to update all your contact details.***

You are most welcome, ***in fact I encourage you*** to update your details yourself – however if you are not sure of your login and password, please contact our 'friendly' webmaster (Graham Fussen).

Updating your Club's Executives on the District Database.

The District Database is now ready to record your Club Executives for 2017-2018 Rotary year.

To do this, you can 'log in' through the District Website (www.rotary9500.org) and then select Club Executives, and by selecting the 2017–2018 tab you will be able to enter the names for your Club Executives and Officers.

This information for the main roles is automatically uploaded to the Rotary International Database.
Secretary Jeff has also sent out a form for the collection of additional information for the 2017-2018 District Directory, so I ask if you can follow this through as soon as possible.

You are most welcome, ***in fact I encourage you*** to update all Club details – however if you are not sure of your login and password or editing the Club Roles, please contact our 'friendly' webmaster.

Comment of the week:

A police officer called the station on his radio.

"I have an interesting case here. An old lady shot her husband for stepping on the floor she just mopped".

"Have you arrested the woman?".

"Not yet. The floor still wet."

Reminder that this publication requires information from you – please send me your information about your club activities.
