The Rotary Foundation: November Foundation Month

Foundation Centenary
District 9500

November is Foundation month. Please plan an activity to promote the 100th anniversary of the Foundation. Please let me know what you are planning so that we can publicise your event. Please email me on doug.layng@bigpond.com if your club would like a speaker to present on a variety of Foundation subjects that include, the history of the Foundation, what your contributions do, and great Global grants.

I encourage all Club Presidents and Secretaries to enter your Foundation budget contributions in My Rotary. Please consider the Foundation as your first donation as The Rotary Foundation is our charity. The donations from your club enable our District to participate in District Grants and further the good work done in the world.

Dear Rotarians, Please help us

WWW.RAGDIABETES.ORG

We, Rotarian Action Group for Diabetes, write you to encourage you to make the clubs in D9500 aware of World Diabetes Day, 14 November.

The diabetes epidemic soon reaches 500 million people in every corner of the world. No country is exempt. This year's push is blindness prevention. Most are unaware that diabetes is a leading cause of blindness and preventable. Help us spread the word

I include a link which has three posters in English, French, and Spanish for you to attach to your newsletter or send to your club presidents to increase diabetes awareness this 14 November. Thanks for your support
