### The Rotary Foundation: November Foundation Month

## Foundation Centenary District 9500

November is Foundation month. Please plan an activity to promote the 100<sup>th</sup> anniversary of the Foundation. Please let me know what you are planning so that we can publicise your event. Please email me on [doug.layng@bigpond.com](mailto:doug.layng@bigpond.com) if your club would like a speaker to present on a variety of Foundation subjects that include, the history of the Foundation, what your contributions do, and great Global grants.

I encourage all Club Presidents and Secretaries to enter your Foundation budget contributions in My Rotary. Please consider the Foundation as your first donation as The Rotary Foundation is our charity. The donations from your club enable our District to participate in District Grants and further the good work done in the world.

## Show your support for Hat Day this year at your local Bunnings store: October 7

Rotary Clubs across Australia are welcome to approach their local Bunnings stores this year to set up an awareness and fundraising table for **Hat Day**, held **Friday October 7**.

If you'd like to support and raise money for this important Australian Rotary Health mental health initiative, we encourage you to contact your local Bunnings store and ask to speak to the **Activities Organiser**, who can assist you in planning for the day.

All Bunnings stores in Australia have been notified Rotary Clubs will be approaching them in the lead up to Hat Day, but please be aware we cannot guarantee all stores will participate or have spots available on that particular day.

We ask that you be sympathetic to the Activities Organiser if October 7 is already pre-booked by other charities or individuals. If this is the case, remember you can always suggest another date, as we accept donations for Hat Day any time of the year!

We always love to see our Rotary Clubs getting involved in Hat Day, so please send any photos or video footage to: [info@hatday.com.au](mailto:info@hatday.com.au). If you're on Facebook or Instagram, upload your photos with the hashtag **#Hatday16**.

### **World Record Attempt: October 22 & 23**

Jarrod Cresp of the Port Adelaide Recreation Centre (Basketball SA) and NWBL referee wrote "I just thought I would send some information concerning the Guinness World Record attempt. On October 22 & 23 our wheelchair basketball players will be trying to break the record for the longest continuous wheelchair basketball game. They will be aiming to play for 32 hours!

This will occur on the **22 & 23 October at Titanium Sports** Arena (formerly Adelaide Arena) (44a Crittenden Road, Findon), from Saturday 9:00 am till Sunday 5:00 pm. In charge of the project is Jacob Gracey Development Officer, Disability Recreation and Sports SA and Adam from the Adelaide Thunder Wheelchair Basketball team. Massage Life & the Australian Institute of Fitness have come on board to help.

The purpose of the event is to raise much needed funds and awareness for wheelchair basketball in South Australia so it would be great to see as many people there as possible. Adelaide was a foundation member team of the NWBL in 1988 and between then and 2013 won the flag five times. They are looking to come back in.

Everyone is welcome to come along! I understand that Adelaide 36ers and MAC Lightning have also joined on board for support.

Jacob ( [jacob@drssa.org.au](mailto:jacob@drssa.org.au) ) further sponsorships or donations and is looking for more players while Jarrod ( [jcresp@basketballsa.com](mailto:jcresp@basketballsa.com) ) is looking for wcbb referees or basketball referees who wish to up skill to help out.
