Rotary and Scout Jamboree - URGENT

Rotary Clubs in 9500/9520 are requested to register their interest to provide BBQ at the up and coming Scout Jamboree January 2019

URGENT REGISTRATION REQUIRED.

Rotary has been given the option of choosing Hot BBQ food (Inc Steak sandwiches, Sausage sizzle, Patties, chicken wings etc.) or Ice Creams and soft drinks – before other organisations.

I have the agreement that Rotary has the first choice, however clubs ***will have to*** be quick.

Please note that RC of Tailem Bend has approached the committee to be involved.

Please communicate directly with Roger Burzacott.

Background

The Australian Jamboree 2019 (AJ2019) is to be held at Motor Sport Park Tailem Bend SA for 4 – 14 January 2019 and has been declared a Major Event by the SA Government.

It will be attended by 10,000 Scouts, 5,000 Leaders, assistants and hired labour.

As Director of Logistics it is my responsibility to organise, employ & manage at least 8 food outlets for the 'Mall'. The Mall will be a shaded precinct within the site. Dimensions 300m x 100m.

As part of the Jamboree there will be 'Super Saturday' or visitor's day, where up 30,000 parents and friends are anticipated to attend.

It is this event that I suggest be your main interest.

The above numbers are based on experience.

Grandparents are a lady and a man who have no little children of her own. They like other people's.

A grandfather is a man and a grandmother is a lady!

Grandparents don't have to do anything except be there when we come to see them... They are so old they shouldn't play hard or run. It is good if they drive us to the shops and give us money.

When they take us for walks, they slow down past things like pretty leaves and caterpillars.

They show us and talk to us about the color of the flowers and also why we shouldn't step on "cracks."

They don't say, "Hurry up."

Usually grandmothers are fat but not too fat to tie your shoes.

They wear glasses and funny underwear.

They can take their teeth and gums out.

Grandparents don't have to be smart.

They have to answer questions like "Why isn't God married?" and "How come dogs chase cats?"

When they read to us, they don't skip. They don't mind if we ask for the same story over again.

Everybody should try to have a grandmother, especially if you don't have television, because they are the only grown ups who like to spend time with us.

They know we should have snack-time before bedtime and they say prayers with us every time and kiss us even when we've acted bad.

GRANDPA IS THE SMARTEST MAN ON EARTH! HE TEACHES ME GOOD THINGS, BUT I DON'T GET TO SEE HIM ENOUGH TO GET AS SMART AS HIM!

It's funny when they bend over; you hear gas leaks, and they blame the dog.

Send this to other grandparents, almost grandparents, or heck, send it to everyone. It will make their day.

Reminder that this publication requires information from you – please send me your information about your club activities.
