New [Club and District Support Supervisor](#) at Rotary International – Parramatta is Andrew Best. Andrew has come from 8 years of work in the not-for-profit sector, as a Club Manager of Police & Citizens Youth Clubs (PCYC).

The PCYC is a youth charity organisation that focuses on providing an extensive and varied range of fun, safe activities for young people and the wider community. PCYC was established in 1937 by the State Police Commissioner and was a partnership forged with the community via Rotary to provide young people with a safe and positive alternative to the streets.

In 2014 Andrew participated in D9670 GSE program to D7570 where he experienced the passion, support and belief in Rotary by Rotarians in Western Virginia and Northeastern Tennessee USA.

E-Clubs are a little different, but we have the same Rotary focus

As an e-club, we primarily conduct our club's work online, with occasional (optional) face-to-face meetings for those able to join in. Meetings also entail logging into our Website regularly, at whatever time suits each individual. Our online GoToMeetings are scheduled for the 1st and 3rd Wednesday of each month and last about an hour.

During the online discussions and with exchange of emails we plan projects and events, find ways to use our skills and knowledge to help our local and global communities, and enjoy networking and building friendships.

For those that are able to join us, we'll have some "face-to-face" meetings in locations where it suits members who live near another member/s or when a member is visiting the area. **It is not necessary to be able to make the face-to-face meetings to join the e-club.**

If you are already a Rotarian, but your lifestyle makes it difficult for you to attend a traditional Rotary meeting, the Rotary E Club of Greater South Oz may be of interest to you.

Whatever the reason, consider joining us as we continue our Rotary journey.

Rotary E-Club of Greater South Oz Website is at <http://portal.clubrunner.ca/12313>

Reminder that this publication requires information from you – please send me your information about your club activities.
