Membership Summit

To Club Presidents and Club Membership Directors

As flagged at the District Changeover, the District Membership Committee has come together with the District Management Team to address the issue of declining membership in our District. To this end, a Membership Summit will be held to begin the process of addressing this vital issue. We are asking that Club Presidents and Membership Directors make every effort to attend.

All Rotarians interested in Membership are welcome to attend'. Please enrol via the online link below. Any issues or other communication, please contact District Secretary Jeff Cluse – email secretary16-17@rotary9500org or Mob: 0417573696.

Please enrol online – the link is

<http://e.mybookingmanager.com/9500>

The seminar is free and morning tea will be provided.

As Clubs have prepared Members for the 2016-17 Rotary year, each Club in the District has undoubtedly planned to increase membership. Sadly, in 2015-16, less than 25% of clubs in the District increased the number of Rotarians in their Club and more than 50% decreased membership.

Rotary is an awesome organisation with the power to change the world. However, we can only be successful into the future if we increase membership of our clubs to assist in this critical role.

Clubs need more members to ensure longevity!

Our District needs more members to survive!

DG John Pohl, the District Management Committee and the District Membership Team are very keen to learn from Club Presidents and Membership Directors what problems they are facing and what assistance they are seeking.

Therefore, Club Presidents and Club Membership Directors, as well as ANYONE interested in membership, are urged to attend the **Membership Summit on August 6 2016**, at St Michael's College, Henley Beach, from 9.30 am to 12.30 pm, to ...ask questions...seek answers to challenges...share ideas...**DISCOVER new ways forward.**

We hope you will **feel inspired ... be energized...collect resources... &plan to work together for success!**

Has your club been active in relation to Disaster Relief lately?

A lot of work has been done by Rotary clubs in relation to the recent bushfires at Sampson Flat and the Pinery fires. The Disaster Relief Committee is very keen to hear from Clubs if they have been involved in any way in providing assistance or relief in these areas. The committee would like to collate this information and disseminate it to all clubs in the District in order to publicise the great work that has been, and is still, being done by many Rotary Clubs.

Please email or contact the Chair of the Disaster Relief Committee, John Fischer, to outline your Club's involvement.
