Saturday and Sunday parking is free in Geelong.

SEE CHANGE

See how Rotary is changing to adapt to the digital age and meet the needs of busy people who really want to make a difference.

A thought provoking line up of keynote speakers along with lively entertainment, the 2017 Rotary Conference will be held in Geelong's spectacular Conference Centre, The Pier 23 - 26 March.

Based on the theme of 'SEA CHANGE' (the Australian TV series was largely filmed near Geelong) the conference will challenge your thoughts and encourage a sea change in the way your club approaches the issues that confront us all.

Fly to Melbourne, then bus it to Geelong or drive along the spectacular Great Ocean Road. This waterfront city offers sophistication of a capital city together with the warmth of regional hospitality. Beautifully restored old buildings, fabulous shopping precincts and restaurants will make this a conference to remember.
