

The following Club projects approved by the District Grants Committee to be supported by the District Grants have been approved by The Rotary Foundation. Clubs are advised they can proceed with these projects. Any alteration to the proposed activity or equipment to be purchased does require pre-approval by the District Grants Chair and The Rotary Foundation before expenditure occurs.

The District has not received the District Grant funds for 2016-2017 year. The funds are subject to the exchange rate at the time of transfer. Clubs are reminded the District will refund clubs on proof of expenditure. The district grant is allocated on a \$ for \$ basis. Report forms will be available on the District website and through the weekly dispatch as soon as possible.

John Rowe (District Grants Chair)
