We are embarking on a major project this year. Partnering with Rotary Australia Worldwide Community

Foya Town is 450 k by road north of the capital of Liberia - Monrovia. It is near the borders of Sierra Leone and Guinea and provides help to isolated areas of all three countries. It is home to over 20,000 people who have experienced devastating civil war and the Ebola virus. Infrastructure and health services are limited. They need an improved health system to address infant and child mortality, preventable diseases, health and hygiene. The Liberian government has built a hospital but it cannot open without equipment and trained staff.

Mawson Lakes Rotary and the Liberian Australian Service Foundation will be holding a fundraiser - *Africa Meets Australia Come party for a good cause* dinner and concert on Friday December 1 Dennison Centre Garden Terrace Mawson Lakes, 7pm onwards. Entrance is \$25. Click [Here for Information](#)
