ABOUT THIS GUIDE

Rotary's Voice and Visual Identity Guidelines provides essential information to help you build Rotary's brand. You'll learn about our voice and People of Action messaging as well as how to format our logo, choose the correct color palette, and so much more.

We developed these guidelines for communications and design professionals, but anyone can use them. If you prefer a short, summarized version of this guide, go to the **Brand Center** and download Voice and Visual Identity at a Glance.

OUR IMAGE MATTERS

For more than 100 years, Rotary has united leaders who are committed to using their expertise to take action and improve their communities. Awareness of Rotary is high. But public understanding of who we are, what we do, and the value we bring to communities is concerning low. It's important that we tell our story in ways that help people everywhere understand what Rotary does, how we're different, and why our work matters. Without this understanding, we can't reach our full potential and bring more people together and improve even more communities worldwide.

NO OTHER ORGANIZATION IS QUITE LIKE ROTARY. BY USING OUR UNIQUE VOICE CONSISTENTLY IN ALL OUR MESSAGING, WE CAN ENSURE THAT OUR COMMUNICATIONS REFLECT OUR DISTINCT CHARACTER.

If we speak, write, and design in one voice, our communications will sound, read, and look unmistakably like Rotary. This will give our audiences a better understanding of who we are.

This guide will show you how to use Rotary's voice and look in communications about your club and Rotary. Together, we can show the world that we're people of action.

ROTARY AS A BRAND

A BRAND IS MORE THAN A LOGO. ROTARY'S BRAND IS MUCH BIGGER THAN ITS WHEEL. IT'S A PERCEPTION: IT'S HOW OTHERS THINK ABOUT US, NOT JUST HOW WE SEE OURSELVES.

When we talk about the Rotary brand, we're talking about the basic qualities and goals that unite all Rotary clubs and districts — it's what we offer people who partner with us, join a club, or participate in our programs and projects. Our brand reflects our identity, our vision, and our essence, as well as our values. It represents our unique culture and our approach to creating lasting, positive change.

People's perception of Rotary comes from their experiences with our clubs and programs, along with the stories we tell and the images we share. Compelling, consistent brand communications — together with a great experience — can strengthen our brand and help us engage and attract more members, donors, and partners.

WE ARE ROTARY

“Rotary” is the connective thread that binds Rotary International and The Rotary Foundation. Rotarians naturally refer to our organization as “Rotary.” Embracing “Rotary” as our communicative name is a simple, yet critical, step to unify our organization and strengthen our message.

<div>Rotary</div> <div></div>	<div>Rotary</div> <div></div>	<div><div>The Rotary Foundation</div><div></div></div>
ROTARY	ROTARY INTERNATIONAL	THE ROTARY FOUNDATION
What we call ourselves when referring to the enterprise as a whole in all communications	How we refer to our global association of 35,000 clubs and the governance and offices that support them	What we use when referring to Rotary’s fundraising and grant-making arm, when appropriate and/or legally required

Our essence originates from Rotary's vision statement and explains who we are, what we care about, and how we communicate and make decisions.

OUR VISION: Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

OUR ESSENCE: Rotary joins leaders from all continents, cultures, and occupations to exchange ideas and take action for communities around the world.

Our essence summarizes what Rotary is all about — current and emerging leaders who come together, form relationships, and create a positive impact in communities at home and around the world. It also reflects the values that define Rotary: fellowship, integrity, diversity, service, and leadership.

By focusing our communications on our essence, we reinforce what Rotary stands for, how we differ from other organizations, and why Rotary matters today. This approach makes it possible for each of us to develop our own powerful statement about our clubs and collectively tell a compelling and cohesive story about Rotary.

WE ARE PEOPLE OF ACTION

People of Action helps define Rotary for those who don't know us. We're professional, community, and civic leaders who connect with each other and who share a unique perspective and passion for taking action to improve the world.

DESCRIBING AND SHOWING OURSELVES AS PEOPLE OF ACTION CREATES A PERSONAL CONNECTION TO THE ORGANIZATION AND EMPHASIZES THE IMPACT ROTARY MAKES IN OUR COMMUNITIES.

Below are some examples of how you might use People of Action messaging to describe Rotary.

Rotary is committed to making the world a better place.

- We bring together people of action from all continents and cultures who deliver long-term solutions to the world's most persistent issues.

Rotary helps us become better leaders, individuals, and humanitarians.

- We're an organization founded on people, relationships, and taking action.
- We use our professional backgrounds, diverse perspectives, and global connections to change the world for the better.
- Through service, we make lifelong friendships that transcend political, cultural, and generational boundaries and foster global understanding and respect.

By presenting Rotarians as people of action, we bring Rotary's vision to life in a relevant and tangible way. When we speak with the same voice, we raise awareness and understanding of Rotary.

Rotary members are the messengers of this campaign. As ambassadors of our brand, clubs are empowered to share the simple but captivating message that Rotary members are taking action to create positive change.

We want Rotary to stand out from other organizations and appeal to all of our audiences with compelling, consistent messages. Our voice — the unique tone and style in which we communicate — focuses on four attributes that describe Rotary and our members: persevering, inspiring, compassionate, and smart. These attributes set the tone for how we talk about Rotary. Think of them as Rotary's personality.

Rotary's voice is clear, persuasive, and relatable. It's personal and sincere. Convincing but never demanding or scolding.

And finally, it's conversational but not overly casual or perky.

OUR VOICE IS ...

Persevering

We are determined, bold, and courageous, and we speak with clarity and conviction.

EXAMPLES

Since 1979 we have helped eradicate polio in all but three nations worldwide. Today we're dedicated to ending polio in our lifetime.

Inspiring

We motivate others through our positivity, enthusiasm, and passion.

With Rotary, you'll create lasting change across the globe, in your community, and in yourself.

Compassionate

We care about the people we help.

Tackling the world's toughest challenges requires empathy. We champion real people and stories that are relatable and universal.

Smart

We are perceptive and use our expertise to solve problems in creative ways.

We started with water, because everything starts with water. Without access to clean water, peace can't exist.

Here are a couple of examples that demonstrate how using Rotary's voice strengthens our message:

EXAMPLES	BEFORE (without Rotary's voice)		AFTER (in Rotary's voice)	WHY IT'S EFFECTIVE

What are “values?”

Values drive our behavior. They represent our beliefs and how we act.

How did we define our values?

The guiding principles that define Rotary are rooted in our values. Now we bring our values to life by showing how we use them to improve lives in communities around the world.

Signature

The Masterbrand Signature is our official logo and combines the wheel with the word "Rotary" (Rotary's wordmark) to the left for visibility and recognition.

Our logo can't be altered in any way. The wheel and the wordmark must always appear together. Because the word "Rotary" is a wordmark and not a font, it can't be replaced with a font. Only the colors shown on this page may be used in the logo.

Both the Masterbrand Signature and the Masterbrand Signature Simplified (on page 13) can be used on all print and digital applications. We recommend using the simplified version if the logo will be smaller than 1.25 cm (0.5 inches) or will be embroidered.

Logos can be found on the Brand Center, rotary.org/brandcenter.

For more details regarding our color palette, see pages 28-29.

Clear space is the space surrounding the Masterbrand Signature that needs to remain empty. It is equal to the height of the capital "R" in the Rotary wordmark.

There is no maximum height for the Mark of Excellence, the minimum size should be approximately 3x height of the wheel in the nearby Masterbrand Signature (see layout and sizing examples below).

There is no simplified version of the Mark of Excellence — the words “Rotary International” must always appear in the wheel. The logo cannot appear in other colors than shown on this page.

Signature System for Zones and Districts

We have created special signature system that allow you to identify your district or zone on all your communications materials.

District and zone signatures comprise the Masterbrand Signature plus the district or zone number. This signature system should be used instead of the Masterbrand Signature on district- or zone-level communications.

The district or zone number should appear under the Rotary wordmark and should right-align with the “y” in “Rotary” (see the examples). The positioning and the size relationship between the wordmark and the wheel can’t be altered.

You can use either the Masterbrand Signature or the Masterbrand Signature Simplified when you create your district or zone logo. We recommend using the simplified version if the logo will be smaller than 1.25 cm (0.5 inches) or will be embroidered.

Find templates for creating your district or zone logo in the Brand Center, rotary.org/brandcenter.

Signature System for Clubs

We have created special signature systems that allow you to identify your club on all your communications materials.

The Rotary club signature comprises the Masterbrand Signature plus the club name. This signature system should be used instead of the Masterbrand Signature on club-level communications.

Use the name on your charter or the name your club is known by in your community in your club logo. Because the word “Rotary” is already in the logo, you don’t need to repeat it. For example, the Rotary Club of Evanston, Illinois, USA, would add only “Club of Evanston” below the Masterbrand Signature.

The club name always appears on the same side as the wordmark, it should right-align with the “y” in Rotary. The positioning and the size relationship between the wordmark and the wheel can’t be altered.

You can use either the Masterbrand Signature or the Masterbrand Signature Simplified when you create your district or zone logo. We recommend using the simplified version if the logo will be smaller than 1.25 cm (0.5 inches) or will be embroidered.

To create a Rotarian Action Group or Rotary Fellowship lockup (Rotary's Masterbrand signature plus the Rotarian Action Group or Rotary Fellowships logo), follow the guidelines illustrated on this page.

We recommend using words in your lockup to show your affiliation with Rotary (see Disaster Network of Assistance Rotarian Action Group). However, you can use your action group or fellowship logo in your lockup (see the Rotarian Executive Managers Fellowship logo).

Your action group or fellowship logo should always appear to the right of Rotary's Masterbrand Signature. It must be at least equal in height to the Masterbrand Signature but no more than 1.5 times the height of the Masterbrand Signature. The width of action group or fellowship logos may vary, but they should not visually overpower the Masterbrand Signature.

Remember, you can't create a Rotarian Action Group or Rotary Fellowship logo of your own that contains or resembles the Rotary Masterbrand Signature or Mark of Excellence (wheel).

Color Palette

Overview

Rotary's official colors are intended to express who we are: smart, compassionate, persevering, and inspiring. Three shades of blue and one of gold are our main colors. To create a consistent look and feel, we encourage you to use these colors more than the other colors in our palette.

Use Rotary Azure most often, and reserve Rotary Sky Blue and Rotary Royal Blue to complement and highlight. Rotary Gold should be used as the "jewel" on a page.

Use secondary colors sparingly to create emphasis or to differentiate within a series.

Pastels and neutrals provide the flexibility that may be needed when you're working with backgrounds, layouts, and hierarchy of information, without being overbearing.

All of the colors have been chosen carefully to complement one another in most situations. They should be used in their pure forms, never altered.

Message About the Rotary Brand and Rotary International Trademarks

In 2013, Rotary International introduced new signature systems, color palettes, and other changes to our visual identity. We also developed best practices for how the new Rotary brand could be used for merchandise. Specifically, the pre-2013 version of the wheel may not appear on any items except member pins.

ROTARY, ROTARY CLUB, ROTARIAN, MARK OF EXCELLENCE, MASTERBRAND SIGNATURE, INTERACT, ROTARACT, and other Rotary Marks are trademarks owned by Rotary International. You will see the registered trademark symbol ® used on licensed merchandise and with many of the Rotary Marks.

Working together, we can ensure that Rotary achieves a more prominent and recognizable image in communities throughout the world.

Clubs and Their Members

Only Rotary International Licensees are permitted to produce and sell merchandise bearing the Rotary Marks. A list of current Licensed Vendors is available at my.rotary.org/en/member-center/licensed-vendors.

Vendors that produce and/or sell Rotary-branded merchandise without a license or permission from Rotary International infringe on Rotary's trademark rights and may harm the Rotary brand. By buying from a licensed vendor, a portion of the sales goes back to Rotary and you are helping to protect the Rotary brand around the world.

If your club, district, Rotary Fellowship, or Rotarian Action Group is interested in selling Rotary-branded merchandise in conjunction with a fundraising event, please contact rilicensingservices@rotary.org to discuss an event-specific license or visit the Rotary Licensing webpage at myrotary.org/en/manage/products-services/licensing.

If the Rotary-branded merchandise you require is not available from a Rotary International Licensee, please submit a request to use an unlicensed company to rilicensingservices@rotary.org. Upon approval of a brand compliant product design, Rotary International may grant one-time permission to the unlicensed vendor to use Rotary Marks on the product.

Rotary International Licensees

These guidelines serve to help Rotary International Licensees best use the Rotary brand, and examples of Rotary branded items are provided. As a reminder, all new licensed items with Rotary Marks must be approved by RI Licensing Services prior to manufacture or sale. We expect Rotary International Licensees to adhere to these guidelines.

Fonts and Licenses

We're recommending the use of some fonts that require a license. If you are using those fonts, make sure you have the proper licenses or permissions. We offer free font options, please refer to page 30 for more information.

Make sure you have the proper licenses or permissions before reproducing photographs, text, or other copyrighted art or materials on any merchandise.

Rotary Member Pin

Rotary pins are immediately recognized by Rotarians everywhere as a proud symbol of membership. There are no changes to pin design or color, so your current member pin and all those available through Rotary's licensed suppliers are acceptable.
